EFFECTIVE REGISTRATION STATEMENT
AND EXPLANATORY NOTE**

This registration statement registers additional securities of the same class as other securities for which a registration statement filed on Form S-8 relating to the Amended and Restated Maiden Holdings, Ltd. 2007 Share Incentive Plan (the "Plan") is already effective. Pursuant to Instruction E to Form S-8, we incorporate by reference into this registration statement the contents of the registration statement we filed on Form S-8 with the Securities and Exchange Commission on December 4, 2009 (File No. 333-163515) (the "Original Registration Statement") in its entirety, and including exhibits thereto, relating to the registration of shares of our common shares, par value \$0.01 per share, authorized for issuance under the Plan. This registration statement provides for the registration of an additional 7,200,000 common shares authorized for issuance under the Plan pursuant to an amendment to the Plan adopted by our shareholders on May 4, 2010.

This registration statement includes a reoffer prospectus, which has been revised to update the reoffer prospectus that was filed with the Original Registration Statement (the "Revised Reoffer Prospectus"). The Revised Reoffer Prospectus has been prepared in accordance with the requirements of Part I of Form S-3 (as permitted by Section C.1. of the General Instructions to Form S-8). The reoffer prospectus may be used by certain officers and directors of the Company to sell or otherwise dispose of common shares they receive as grants under, or as a result of the exercise of options granted or to be granted to them under, the Plan.

PROSPECTUS SUMMARY

The following is only a summary of some of the information contained or incorporated by reference in this prospectus that we believe to be important. We have selected highlights of material aspects of our business to be included in this summary. We urge you to read this entire prospectus, including the information incorporated by reference in this prospectus. Investing in our common shares involves risks. You should carefully consider the information below referenced under the heading “Risk Factors,” in this prospectus and under that heading in our reports filed with the SEC from time to time.

In this prospectus, the words “Maiden,” “Company,” “we,” “our” and “us” refer to Maiden Holdings, Ltd. and our consolidated subsidiaries, unless the context requires otherwise.

Business

We are a Bermuda-based holding company formed in June 2007, primarily focused on serving the needs of regional and specialty insurers in the United States and Europe by providing innovative reinsurance solutions designed to support their capital needs. We specialize in reinsurance solutions that optimize financing by providing coverage within the more predictable and actuarially credible lower layers of coverage and/or reinsuring risks that are believed to be lower hazard, more predictable and generally not susceptible to catastrophe claims. Our tailored solutions include a variety of value added services focused on helping our clients grow and prosper.

We provide reinsurance through our wholly owned subsidiaries, Maiden Reinsurance Company (“Maiden US”) and Maiden Insurance Company, Ltd. (“Maiden Bermuda”) and have operations in the United States and Bermuda. On a more limited basis, Maiden Specialty Insurance Company, a wholly owned subsidiary of Maiden US, provides primary insurance on a surplus lines basis focusing on non-catastrophe property and inland marine. Maiden Bermuda does not underwrite any primary insurance business.

On October 31, 2008, we acquired the reinsurance operations of GMAC Insurance from GMACI Holdings, LLC (“GMACI”), which included the following components, the sum of which are referred to as the “GMAC Acquisition”:

- GMAC RE LLC (“GMAC RE”), a reinsurance managing general agent writing business on behalf of Motors Insurance Corporation and the renewal rights for the business written through GMAC RE (which was subsequently renamed Maiden Re Insurance Services, LLC);
- GMAC Direct Insurance Company (which closed on December 23, 2008 and was subsequently renamed Maiden Reinsurance Company); and
- Integon Specialty Insurance Company (which closed on September 1, 2009 and was subsequently renamed Maiden Specialty Insurance Company).

Our founding shareholders, Michael Karfunkel, George Karfunkel and Barry Zyskind (the “Founding Shareholders”), are also the majority shareholders of AmTrust Financial Services, Inc. (“AmTrust”) (NASDAQ: AFSI), a multinational insurance holding company that offers workers’ compensation and property and casualty coverages for small businesses, extended warranty coverages for consumer and commercial goods and other specialty insurance products. Michael Karfunkel is the Chairman, George Karfunkel is a director, and Barry Zyskind is the President, Chief Executive Officer and a director of AmTrust. Prior to the GMAC Acquisition, all of the business was underwritten by Maiden Bermuda, which was focused on providing reinsurance support to AmTrust and similarly other insurers in both the U.S. and Europe that are focused on specialty insurance markets in which they have developed expertise.

To support the businesses acquired in the GMAC Acquisition and the North American operations of our wholly owned subsidiary Maiden Holdings North America, Ltd. (“Maiden NA”), on January 20, 2009, we completed a private placement of trust preferred securities of approximately \$260.1 million in the form of junior subordinated debentures (the “Debentures”) issued by Maiden Capital Financing Trust, a trust established by Maiden NA, and also issued 11,700,000 common shares to the purchasers. The Debentures mature in 2039 and carry an interest rate of 14%. Approximately 62% of these securities were placed privately with two of our Founding Shareholders (Michael Karfunkel and George Karfunkel), and the remainder with existing institutional investors.

In November 2009, we announced an agreement in principal with American Capital Acquisition Corporation (“ACAC”) regarding a multi-year 25% quota share agreement expected to generate over \$200 million in annual revenue. The contract commenced on March 1, 2010 after final regulatory approval and the closing of ACAC’s acquisition of GMACI’s U.S. consumer property and casualty insurance business, as well as a small amount of commercial auto business. This business generated over \$1.0 billion in net written premium in each of 2008 and 2009. ACAC is owned by one of our Founding Shareholders, Michael Karfunkel, and the Michael Karfunkel 2005 Grantor Retained Annuity Trust (the “Trust”), which is controlled by Michael Karfunkel. The Trust currently owns 72.4% of ACAC’s issued and outstanding common stock, Michael Karfunkel currently owns 27.6% of ACAC’s issued and outstanding common stock, and AmTrust owns preferred shares convertible into 21.25% of the issued and outstanding common stock of ACAC. In addition to reinsurance support, we will provide support services focused on helping ACAC to continue its profitable expansion.

Our principal executive office is located at 131 Front Street, Hamilton HM12, Bermuda, and our telephone number is (441) 292-7090. Our website address is www.maiden.bm. Unless specifically incorporated by reference, information contained in our website is not a part of this prospectus.

FORWARD LOOKING STATEMENTS

Some of the statements set forth in this prospectus are forward-looking statements. These statements involve known and unknown risks, uncertainties and other factors that may cause our or our industry's actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance, or achievements expressed or implied by forward-looking statements. Such factors include, among other things, those referred to under "Risk Factors" and elsewhere in this prospectus.

In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "potential," "proposed," "intended," or "continue" or the negative of these terms or other comparable terminology. You should read statements that contain these words carefully, because they discuss our expectations about our future operating results or our future financial condition or state other "forward-looking" information. There may be events in the future that we are not able to accurately predict or control. Before you invest in our securities, you should be aware that the occurrence of any of the events described in these risk factors and elsewhere in this prospectus could substantially harm our business, results of operations and financial condition, and that upon the occurrence of any of these events, the trading price of our securities could decline and you could lose all or part of your investment. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, growth rates, levels of activity, performance or achievements. We are under no duty to update any of the forward-looking statements after the date of this prospectus to conform these statements to actual results.

RISK FACTORS

Our business and, accordingly, an investment in our securities involve significant risks. We urge you to carefully consider the risks incorporated by reference in this prospectus before making an investment decision, including those risks set forth under “Risk Factors” in Part I, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2009, as well as in our other filings with the SEC, all of which may be amended, supplemented or superseded from time to time by other reports we file with the SEC in the future.

Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also impair our business operations. If any of these risks were to occur, our business, financial condition and results of operations could be seriously harmed. In that event, the trading price of our shares could decline and you may lose all or part of your investment.

USE OF PROCEEDS

The shares which may be sold under this prospectus will be sold for the respective accounts of each of the selling shareholders. Accordingly, we will not realize any proceeds from the sale of the shares, except that we will derive proceeds if all of the options to purchase common shares currently outstanding and options that may be issued in the future are exercised. If exercised, such proceeds will be available to us for working capital and general corporate purposes. No assurance can be given, however, as to when or if any or all of the options will be exercised. We will not receive any proceeds from the issuance and vesting of restricted shares under the Plan. All expenses of the registration of the shares will be paid for by us. See “Selling Shareholders” and “Plan of Distribution.”

SELLING SHAREHOLDERS

The following table sets forth (i) the name and relationship to the Company and its affiliates (within the past three years) of each selling shareholder listed below; (ii) the number of common shares each selling shareholder owned of record before the offering; (iii) the number of common shares being offered for sale by such holder pursuant to this prospectus (which represents the maximum number of shares that could be sold under this prospectus by such holder assuming the vesting of all awards and exercise of all options); and (iv) the amount of common shares to be owned by each selling shareholder and (if one percent or more) the percentage of the class to be owned by such holder assuming such holder disposes of all of the shares being offered pursuant to this prospectus. The information under this heading relates to resales of shares covered by this prospectus by persons who are our “affiliates” as that term is defined under federal securities laws. These persons will be our executive officers and members of our Board of Directors.

The tabular information below assumes that all the common shares being offered pursuant to the registration statement of which this prospectus is a part are sold to third parties. However, because the selling shareholders may offer all or a portion of the shares covered by this prospectus at any time and from time to time hereafter, the exact number of shares that each selling shareholder may retain after completion of the offering cannot be determined at this time. Information concerning the selling shareholders may change from time to time and, to the extent required, will be set forth in supplements or amendments to this prospectus.

PLAN OF DISTRIBUTION

In this section of the prospectus, the term “selling shareholder” means and includes: (i) the persons identified in the table above as the selling shareholders and (ii) any of their donees, pledgees, distributees, transferees or other successors in interest who may (a) receive any of the common shares offered hereby after the date of this prospectus and (b) offer or sell those shares hereunder. The decision to sell any shares is within the discretion of the holders thereof, subject generally to the Company’s policies affecting the timing and manner of sale of common shares by certain individuals. There can be no assurance that any shares will be sold by the selling shareholders.

The common shares offered by this prospectus may be sold from time to time directly by the selling shareholders. Alternatively, the selling shareholders may from time to time offer such shares through underwriters, brokers, dealers, agents or other intermediaries. The selling shareholders as of the date of this prospectus have advised us that there were no underwriting or distribution arrangements entered into with respect to the common shares offered hereby. The distribution of the common shares by the selling shareholders may be effected (i) in one or more transactions that may take place on Nasdaq (including one or more block transactions) through customary brokerage channels, either through brokers acting as agents for the selling shareholders, or through market makers, dealers or underwriters acting as principals who may resell these shares on Nasdaq, (ii) in privately-negotiated sales, (iii) by a combination of such methods or (iv) by other means. These transactions may be effected at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at other negotiated prices. Usual and customary or specifically negotiated brokerage fees or commissions may be paid by the selling shareholders in connection with sales of our common shares.

The selling shareholders may enter into hedging transactions with broker-dealers in connection with distributions of the shares or otherwise. In such transactions, broker-dealers may engage in short sales of the common shares in the course of hedging the positions they assume with the selling shareholders. The selling shareholders also may sell shares short and redeliver the shares to close out such short positions. The selling shareholders may enter into option or other transactions with broker-dealers that require the delivery to the broker-dealer of common shares. The broker-dealer may then resell or otherwise transfer such common shares pursuant to this prospectus.

The selling shareholders also may lend or pledge common shares to a broker-dealer. The broker-dealer may sell the common shares so lent, or upon a default the broker-dealer may sell the pledged common shares pursuant to this prospectus. Any securities covered by this prospectus that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this prospectus. The selling shareholders have advised us that they have not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of their securities. There is no underwriter or coordinating broker acting in connection with the proposed sale of common shares by the selling shareholders.

Although the common shares covered by this prospectus are not currently being underwritten, the selling shareholders or their underwriters, brokers, dealers or other agents or other intermediaries, if any, that may participate with the selling security holders in any offering or distribution of common shares may be deemed “underwriters” within the meaning of the Securities Act of 1933, as amended (the “Securities Act”) and any profits realized or commissions received by them may be deemed underwriting compensation thereunder. Because the selling shareholders may be deemed to be “underwriters” within the meaning of Section 2(11) of the Securities Act, the selling shareholders will be subject to the prospectus delivery requirements of the Securities Act, which may include deemed delivery by brokers or dealers pursuant to Rule 153 under the Securities Act in connection with sales effected between brokers or dealers on or through Nasdaq.

Under applicable rules and regulations under the Exchange Act, any person engaged in a distribution of common shares offered hereby may not simultaneously engage in market making activities with respect to the common shares for a period of up to five days preceding such distribution. The selling shareholders will be subject to the applicable provisions of the Exchange Act and the rules and regulations promulgated thereunder, including without limitation Regulation M, which provisions may limit the timing of purchases and sales by the selling shareholders.

In order to comply with certain state securities or blue sky laws and regulations, if applicable, the common shares offered hereby will be sold in such jurisdictions only through registered or licensed brokers or dealers. In certain states, the common shares may not be sold unless they are registered or qualified for sale in such state, or unless an exemption from registration or qualification is available and is obtained.

We will bear all costs, expenses and fees in connection with the registration of the common shares offered hereby. However, the selling shareholders will bear any brokerage or underwriting commissions and similar selling expenses, if any, attributable to the sale of the common shares offered pursuant to this prospectus.

We have agreed to indemnify certain of the selling shareholders against certain liabilities, including liabilities under the Securities Act, or to contribute to payments to which any of those shareholders may be required to make in respect thereof.

There can be no assurance that the selling shareholders will sell any or all of the securities offered by them hereby.

Dear Sirs

Maiden Holdings, Ltd. (the "Company")

We have acted as special legal counsel in Bermuda to the Company in connection with a prospectus (the "**Prospectus**") contained in a registration statement on form S-8 filed with the Securities and Exchange Commission (the "**Commission**") on May 18, 2010 (the "**Registration Statement**", which term does not include any other documents or agreement whether or not specifically referred to therein or attached as an exhibit or schedule thereto) relating to the registration under the United States Securities Act of 1933, as amended, (the "**Securities Act**") of 7,200,000 common shares, par value US\$0.01 (the "**Common Shares**"), issuable pursuant to the Company's Amended and Restated 2007 Share Incentive Plan (the "**Plan**", which term does not include any other document or agreement whether or not specifically referred to therein or attached as an exhibit or schedule thereto).

For the purposes of giving this opinion, we have examined copies of the Registration Statement, the Prospectus and the Plan. We have also reviewed the memorandum of association and the bye-laws of the Company, each certified by the Assistant Secretary of the Company on 17 May 2010, a secretary's certificate of extract of resolutions passed at a meeting of the board of directors of the Company held on 4 May 2010 (together, the "**Minutes**"). We have also reviewed such other documents and made such enquiries as to questions of law as we have deemed necessary in order to render the opinion set forth below.

We have assumed (a) the genuineness and authenticity of all signatures and the conformity to the originals of all copies (whether or not certified) of all documents examined by us and the authenticity and completeness of the originals from which such copies were taken; (b) that where a document has been examined by us in draft form, it will be or has been executed and/or filed in the form of that draft, and where a number of drafts of a document have been examined by us all changes thereto have been marked or otherwise drawn to our attention; (c) the accuracy and completeness of all factual representation made in the Registration Statement, the Prospectus and the Plan and other documents reviewed by us; (d) that the resolutions contained in the Minutes were passed at one or more duly convened, constituted and quorate meetings, or by unanimous written resolutions, remain in full force and effect and have not been rescinded or amended; (e) that there is no provision of the law of any jurisdiction, other than Bermuda, which would have any implication in relation to the opinions expressed herein; (f) the validity and binding effect under the applicable governing laws, to the extent not under Bermuda law, of the Plan in accordance with its terms; (g) that, upon the issue of any Common Shares, the Company will receive consideration for the full issue price thereof, which shall be equal to at least the par value thereof; (h) that on the date of issuance of any of the Common Shares, the Company will have sufficient authorised but unissued common shares; (i) that on the date of issuance of any award under the Plan, the Company will be able to pay its liabilities as they become due; (j) that the Company's shares will be listed on an appointed stock exchange, as defined in the Companies Act 1981, as amended, and the consent to the issue and free transfer of the Common Shares given by the Bermuda Monetary Authority pursuant to its Notice to the Public dated 1 June 2005 will not have been revoked or amended at the time of the issuance of any Common Shares.

We have made no investigation of and express no opinion in relation to the laws of any jurisdiction other than Bermuda. This opinion is to be governed by and construed in accordance with the laws of Bermuda and is limited to and is given on the basis of the current law and practice in Bermuda. This opinion is issued solely for the purposes of the filing of the Prospectus and the Registration Statement and the issuance of the Common Shares by the Company pursuant to the Prospectus and the Plan and is not to be relied upon in respect of any other matter.

On the basis of, and subject to, the foregoing, we are of the opinion that:

1. The Company is duly incorporated and existing under the laws of Bermuda in good standing (meaning solely that it has not failed to make any filing with any Bermuda governmental authority, or to pay any Bermuda government fees or tax, which would make it liable to be struck off the Register of Companies and thereby cease to exist under the laws of Bermuda).
2. When issued and paid for in accordance with the terms of the Plan, the Common Shares will be validly issued, fully paid, and non-assessable (which term means when used herein that no further sums are required to be paid by the holders thereof in connection with the issues of such shares).

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to our firm under the caption "Legal Matters" in the Prospectus. In giving such consent, we do not hereby admit that we are experts within the meaning of Section 11 of the Securities Act or that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Commission promulgated thereunder.

Yours faithfully
