ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we and Maiden NA filed with the Securities and Exchange Commission (the “SEC”) utilizing a “shelf registration” process. Under this shelf registration process, we and/or Maiden NA may, from time to time, sell any combination of the securities described in this prospectus in one or more offerings up to a total initial offering price of \$300,000,000.

This prospectus provides you with a general description of the securities we and Maiden NA may offer. Each time we or Maiden NA offer any of the securities, we or Maiden NA will prepare a prospectus supplement that will contain certain specific information about the terms of that offering and the securities being offered thereby. The applicable prospectus supplement may also add, update or change information contained in this prospectus. You should read this prospectus and the applicable prospectus supplement together with the additional information described under the heading “Incorporation of Certain Information by Reference” in this prospectus in their entirety.

The registration statement that contains this prospectus, and the exhibits to the registration statement, contain additional information about us, Maiden NA and the securities that we and Maiden NA may offer under this prospectus. Statements contained in this prospectus as to the contents of any contract or other document are not necessarily complete, and in each instance reference is made to the copy of that contract or other document filed as an exhibit to the registration statement, each such statement being qualified in all respects by that reference and the exhibits and schedules thereto. The registration statement and exhibits can be read at the SEC’s web site or at the SEC office mentioned under the heading “Where You Can Find More Information” in this prospectus.

We and Maiden NA may include agreements as exhibits to the registration statement of which this prospectus forms a part. In reviewing such agreements, please remember they are included to provide you with information regarding their terms and are not intended to provide any other factual or disclosure information about us, Maiden NA or the other parties to the agreements. The agreements may contain representations and warranties by each of the parties to the applicable agreement. These representations and warranties have been made solely for the benefit of the other parties to the applicable agreement and:

- should not be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate;
- may have been qualified by disclosures that were made to the other party in connection with the negotiation of the applicable agreement, which disclosures would not necessarily be reflected in the agreement;
- may apply standards of materiality in a way that is different from what may be viewed as material to you or other investors in our or Maiden NA’s securities; and
- were made only as of the date of the applicable agreement or such other date or dates as may be specified in the agreement, are subject to more recent developments and therefore may no longer be accurate.

Consent under the Exchange Control Act 1972 (and its related regulations) has been obtained from the Bermuda Monetary Authority for the issue and transfer of our shares and other securities to and between persons resident and non-resident of Bermuda for exchange control purposes provided our shares remain listed on an appointed stock exchange, which includes The Nasdaq Stock Market Inc. In connection with any offering of securities made pursuant to this prospectus, this prospectus, and any applicable prospectus supplement issued hereunder, will be filed with the Registrar of Companies in Bermuda in accordance with Bermuda law. In granting such consent and in accepting this prospectus for filing, neither the Bermuda Monetary Authority nor the Registrar of Companies in Bermuda accepts any responsibility for our financial soundness or the correctness of any of the statements made or opinions expressed in this prospectus.

MAIDEN HOLDINGS, LTD.

We are a Bermuda-based holding company formed in June 2007, primarily focused on serving the needs of regional and specialty insurers in the United States and Europe by providing innovative reinsurance solutions designed to support their capital needs. We specialize in reinsurance solutions that optimize financing by providing coverage within the more predictable and actuarially credible lower layers of coverage and/or reinsuring risks that are believed to be lower hazard, more predictable and generally not susceptible to catastrophe claims. Our tailored solutions include a variety of value added services focused on helping our clients grow and prosper.

We provide reinsurance through our wholly owned subsidiaries and have operations in the United States, Bermuda, Europe and Australia. On a more limited basis, we also provide primary insurance through a wholly owned subsidiary on a surplus line basis focusing on non-catastrophe property and inland marine.

Our principal executive offices are located at 131 Front Street, 2nd Floor, Hamilton HM12 Bermuda, and our telephone number at that location is (441) 298-4900.

Our website address is <http://www.maiden.bm>. Information contained in our website is not a part of, nor is it incorporated by reference in, this prospectus.

MAIDEN HOLDINGS NORTH AMERICA, LTD.

Maiden NA is a direct wholly-owned subsidiary of Maiden and is a holding company that directly and indirectly owns all of Maiden's U.S. entities. Maiden NA has no operations or employees.

Maiden NA's principal executive offices are located at 6000 Midlantic Drive, Suite 200S Mount Laurel, New Jersey 08054, and its telephone number at that location is (856) 359-2400.

USE OF PROCEEDS

We and/or Maiden NA intend to use the net proceeds from the sale of the securities for general corporate purposes, unless otherwise specified in the applicable prospectus supplement.

RATIO OF EARNINGS TO FIXED CHARGES

No shares of our preference shares were outstanding during the nine-months ended September 30, 2010 or during the years ended December 31, 2009, 2008 and 2007 (we had no operations in 2006 or 2005). Accordingly, the ratio of earnings to fixed charges and preference dividends is not separately stated from the ratio of earnings to fixed charges for each such periods in the below table. The below table indicates our ratio of earnings to fixed charges for each such period since our inception:

	Nine-Months Ended September 30, 2010	Year Ended December 31,		
		2009	2008	2007
Ratio of Earnings to Fixed Charges ⁽¹⁾	2.89	2.81	N/A ⁽²⁾	N/A ⁽²⁾

(1) The ratio of earnings to fixed charges was computed by dividing earnings by fixed charges. For this purpose, "earnings" consists of pre-tax income plus fixed charges; and "fixed charges" consists of interest expense and debt amortization charges.

(2) For the years ended December 31, 2008 and 2007, we had no fixed charges.

DESCRIPTION OF COMMON SHARES

This section describes the general terms and provisions of our common shares that we may issue separately, upon exchange of a debt security, upon conversion of preference shares, upon exercise of an equity warrant or in connection with a unit. The description set forth below of our common shares is only a summary. You should also refer to our memorandum of association and bye-laws, which were filed with the SEC as exhibits to our registration statement on Form S-3 of which this prospectus forms a part.

We have an authorized share capital of \$1,500,000, which is divided into 150,000,000 shares of par value \$0.01 each.

As of February 3, 2011, there were 72,107,104 common shares outstanding held by 20 shareholders of record. This figure does not represent the actual number of beneficial owners of our common shares because shares are frequently held in "street name" by securities dealers and others for the benefit of beneficial owners who may vote the shares.

Dividends

Holders of our common shares are entitled to receive dividends when, as and if declared by our Board of Directors out of funds legally available therefor, subject to any contractual restrictions on the payment of dividends and to any restrictions on the payment of dividends that we may be subject to imposed by the terms of any outstanding preference shares or debt securities.

Common Shares

Holders of our common shares will have no pre-emptive, redemption, conversion or sinking fund rights. Subject to the limitation on voting rights described below, holders of our common shares are entitled to one vote per share on all matters submitted to a vote of holders of our common shares. Most matters to be approved by holders of our common shares require approval by a simple majority vote. Under our bye-laws, the holders of at least a majority of the common shares voting in person or by proxy at a meeting must generally approve an amalgamation with another company. The Companies Act 1981 of Bermuda (the "Companies Act") provides that a resolution to remove our auditor before the expiration of its term of office must be approved by at least two-thirds of the votes cast at a meeting of our shareholders. The quorum for general meetings of our shareholders is two or more persons holding or representing a majority of the outstanding common shares on an unadjusted basis. Our board of directors has the power to approve our discontinuation from Bermuda to another jurisdiction. Under our bye-laws, the rights attached to any class of our shares, common or preferred, may be varied with the consent in writing of the holders of at least a majority of the issued shares of that class or with the sanction of a resolution passed by a majority of the votes cast at a separate general meeting of the holders of the shares of the class.

In the event of our liquidation, dissolution or winding-up, the holders of shares are entitled to share equally and ratably in our assets, if any, remaining after the payment of all our debts and liabilities and the liquidation preference of any outstanding preferred shares. All outstanding shares are fully paid and non-assessable. Authorized but unissued shares may, subject to any rights attaching to existing shares, be issued at any time and at the discretion of the board of directors without the approval of our shareholders, with such rights, preferences and limitations as the board may determine.

Limitation on Voting Rights

In general, and except as provided under our bye-laws and as provided below, the common shareholders have one vote for each common share held by them and are entitled to vote, on a non-cumulative basis, at all meetings of shareholders. However, if, and so long as, the shares of a shareholder are treated as "controlled shares" (as determined pursuant to sections 957 and 958 of the Internal Revenue Code of 1986, as amended (the "Code")) of any U.S. Person (that owns shares directly or indirectly through non-U.S. entities) and such controlled shares constitute 9.5% or more of the votes conferred by our issued shares, the voting rights with respect to the controlled shares owned by such U.S. Person will be limited, in the aggregate, to a voting power of less than 9.5%, under a formula specified in our bye-laws. The formula is applied repeatedly until the voting power of all 9.5% U.S. Shareholders has been reduced to less than 9.5%. In addition, our board may limit a shareholder's voting rights when it deems it appropriate to do so to (i) avoid the existence of any 9.5% U.S. Shareholder; and (ii) avoid certain material adverse tax, legal or regulatory consequences to us, any of our subsidiaries or any direct or indirect shareholder or its affiliates. "Controlled shares" include, among other things, all shares that such U.S. Person is deemed to own directly, indirectly or constructively (within the meaning of section 958 of the Code). The amount of any reduction of votes that occurs by operation of the above limitations will generally be reallocated proportionately amongst other shareholders whose shares were not "controlled shares" of the 9.5% U.S. Shareholder so long as such reallocation does not cause any person to become a 9.5% U.S. Shareholder.

Under these provisions, certain shareholders may have their voting rights limited, while other shareholders may have voting rights in excess of one vote per share. Moreover, these provisions could have the effect of reducing the votes of certain shareholders who would not otherwise be subject to the 9.5% limitation by virtue of their direct share ownership.

We are authorized to require any shareholder to provide information as to that shareholder's beneficial share ownership, the names of persons having beneficial ownership of the shareholder's shares, relationships with other shareholders or any other facts the directors may deem relevant to a determination of the number of common shares attributable to any person. If any holder fails to respond to this request or submits incomplete or inaccurate information, we may, in our sole discretion, eliminate the shareholder's voting rights. Pursuant to our bye-laws, a shareholder must give notice within ten days of the date the shareholder acquires actual knowledge that it is the direct or indirect holder of controlled shares of 9.5% or more of the voting power of all our issued and outstanding shares. No shareholder will be liable to any other shareholder or to us for any losses or damages resulting from the shareholder's failure to respond to, or submission of incomplete or inaccurate information in response to, a request from us for information as to the shareholder's beneficial share ownership or from the shareholder's failure to give the notice described in the previous sentence. All information provided by the shareholder will be treated by us as confidential information and will be used by us solely for the purpose of establishing whether any 9.5% U.S. Shareholder exists (except as otherwise required by applicable law or regulation).

If Maiden is required or entitled to vote at an annual or special general meeting (or to act by unanimous written consent in lieu of a general meeting) of any directly held non-U.S. subsidiary (including Maiden Insurance), the Maiden directors would refer the subject matter of the vote to the Maiden shareholders and seek direction from such shareholders as to how the Maiden directors should vote on the resolution proposed by the non-U.S. subsidiary. In such cases, the voting rights of Maiden's shareholders will be subject to the same restriction on voting power as set forth above. Substantially similar provisions are contained in the bye-laws (or equivalent governing documents) of the non-U.S. subsidiaries.

Restrictions on Transfer, Issuance and Repurchase

Our directors may decline to register the transfer of any shares if they have reason to believe that such transfer may expose us or any direct or indirect shareholder or its affiliates to non-de minimis adverse tax, legal or regulatory consequences in any jurisdiction. Similarly, we could be restricted from issuing or repurchasing shares if our directors believe that such issuance or repurchase may result in a non-de minimis adverse tax, legal or regulatory consequence to us or any direct or indirect shareholder or its affiliates.

Our directors also may, in their absolute discretion, decline to register the transfer of any shares if they have reason to believe that registration of the transfer under the Securities Act or under any U.S. state securities laws or under the laws of any other jurisdiction is required and such registration has not been duly effected. In addition, our directors may decline to approve or register a transfer of shares unless all applicable consents, authorizations, permissions or approvals of any governmental body or agency in Bermuda, the United States or any other applicable jurisdiction required to be obtained prior to such transfer shall have been obtained.

We are authorized to request information from any holder or prospective acquirer of shares as necessary to give effect to the transfer, issuance and repurchase restrictions described above, and may decline to effect any transaction if complete and accurate information is not received as requested.

Conyers Dill & Pearman Limited, our Bermuda counsel, has advised us that while the precise form of the restrictions on transfer contained in our bye-laws is untested, as a matter of general principle, restrictions on transfers are enforceable under Bermuda law and are not uncommon. A proposed transferee will be permitted to dispose of any shares purchased that violate the restrictions and as to the transfer of which registration is refused. The proposed transferor of those shares will be deemed to own those shares for dividend, voting and reporting purposes until a transfer of such shares has been registered on our shareholders register.

If the directors refuse to register a transfer for any reason, they must notify the proposed transferor and transferee within three months of such refusal. Our bye-laws also provide that our board of directors may suspend the registration of transfers for any reason and for such periods as it may determine, provided that it may not suspend the registration of transfers for more than 45 days in any period of 365 consecutive days.

The voting restrictions and restrictions on transfer described above may have the effect of delaying, deferring or preventing a change in control of Maiden.

Bye-laws

Our bye-laws provide for our corporate governance, including the establishment of share rights, modification of those rights, issuance of share certificates, calls on shares which are not fully paid, forfeiture of shares, the transfer of shares, alterations of capital, the calling and conduct of general meetings, proxies, the appointment and removal of directors, conduct and power of directors, the payment of dividends, the appointment of an auditor and our winding-up.

Our bye-laws provide that shareholders may only remove a director for cause prior to the expiration of that director's term at a meeting of shareholders at which a majority of the holders of shares voting thereon vote in favor of that action.

Our bye-laws may only be amended by a resolution adopted by the board of directors and by resolution of the shareholders.

Transfer Agent

Our registrar and transfer agent for the shares is American Stock Transfer & Trust Company.

Listing

Our common shares are listed on the NASDAQ Global Select Market under the symbol "MHL.D."

Differences in Corporate Law

The Companies Act differs in certain material respects from laws generally applicable to U.S. corporations and their shareholders. Set forth below is a summary of certain significant provisions of the Companies Act (including modifications adopted pursuant to our bye-laws) applicable to us, which differ in certain respects from provisions of Delaware corporate law, which is the law that governs many U.S. public companies. The following statements are summaries, and do not purport to deal with all aspects of Bermuda law that may be relevant to us and our shareholders.

Duties of Directors

Under Bermuda law, at common law, members of a board of directors owe a fiduciary duty to the company to act in good faith in their dealings with or on behalf of the company and exercise their powers and fulfill the duties of their office honestly. This duty has the following essential elements:

- a duty to act in good faith in the best interests of the company;
- a duty not to make a personal profit from opportunities that arise from the office of director;
- a duty to avoid conflicts of interest; and
- a duty to exercise powers for the purpose for which such powers were intended.

The Companies Act imposes a duty on directors and officers of a Bermuda company:

- act honestly and in good faith with a view to the best interests of the company; and
- to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

In addition, the Companies Act imposes various duties on officers of a company with respect to certain matters of management and administration of the company.

The Companies Act provides that in any proceedings for negligence, default, breach of duty or breach of trust against any officer, if it appears to a court that such officer is or may be liable in respect of the negligence, default, breach of duty or breach of trust, but that he has acted honestly and reasonably, and that, having regard to all the circumstances of the case, including those connected with his appointment, he ought fairly to be excused for the negligence, default, breach of duty or breach of trust, that court may relieve him, either wholly or partly, from any liability on such terms as the court may think fit. This provision has been interpreted to apply only to actions brought by or on behalf of the company against such officer. Our bye-laws, however, provide that shareholders waive all claims or rights of action that they might have, individually or in the right of Maiden, against any director or officer of us for any act or failure to act in the performance of such director's or officer's duties, except this waiver does not extend to any claims or rights of action that arise out of fraud or dishonesty on the part of such director or officer.

Under Delaware law, the business and affairs of a corporation are managed by or under the direction of its board of directors. In exercising their powers, directors are charged with a fiduciary duty of care to protect the interests of the corporation and a fiduciary duty of loyalty to act in the best interests of its shareholders.

The duty of care requires that directors act in an informed and deliberative manner and inform themselves, prior to making a business decision, of all material information reasonably available to them. The duty of care also requires that directors exercise care in overseeing and investigating the conduct of corporate employees. The duty of loyalty may be summarized as the duty to act in good faith, not out of self-interest, and in a manner which the director reasonably believes to be in the best interests of the shareholders.

A party challenging the propriety of a decision of a board of directors bears the burden of rebutting the applicability of the presumptions afforded to directors by the "business judgment rule." If the presumption is not rebutted, the business judgment rule attaches to protect the directors and their decisions, and their business judgments will not be second-guessed. Where, however, the presumption is rebutted, the directors bear the burden of demonstrating the entire fairness of the relevant transaction. Notwithstanding the foregoing, Delaware courts subject directors' conduct to enhanced scrutiny in respect of defensive actions taken in response to a threat to corporate control and approval of a transaction resulting in a sale of control of the corporation.

Dividends

Bermuda law does not permit payment of dividends or distributions of contributed surplus by a company if there are reasonable grounds for believing that the company, after the payment is made, would be unable to pay its liabilities as they become due, or that the realizable value of the company's assets would be less, as a result of the payment, than the aggregate of its liabilities and its issued share capital and share premium accounts. The excess of the consideration paid on issue of shares over the aggregate par value of such shares must (except in certain limited circumstances) be credited to a share premium account. Share premium may be distributed in certain limited circumstances, for example to pay up unissued shares which may be distributed to shareholders in proportion to their holdings, but is otherwise subject to limitation. In addition, our ability to pay dividends is subject to Bermuda insurance laws and regulatory constraints.

Under Delaware law, subject to any restrictions contained in the company's certificate of incorporation, a company may pay dividends out of surplus or, if there is no surplus, out of net profits for the fiscal year in which the dividend is declared and for the preceding fiscal year. Delaware law also provides that dividends may not be paid out of net profits at any time when capital is less than the capital represented by the outstanding stock of all classes having a preference upon the distribution of assets.

Mergers and Similar Arrangements

The amalgamation of a Bermuda company with another company or corporation (other than certain affiliated companies) requires the amalgamation agreement to be approved by the company's board of directors and by its shareholders. Under our bye-laws, we may, with the approval of at least majority of the votes cast at a general meeting of our shareholders at which a quorum is present, amalgamate with another Bermuda company or with a body incorporated outside Bermuda. In the case of an amalgamation, a shareholder may apply to a Bermuda court for a proper valuation of such shareholder's shares if such shareholder is not satisfied that fair value has been paid for such shares. Under Delaware law, with certain exceptions, a merger, consolidation or sale of all or substantially all the assets of a corporation must be approved by the board of directors and the holders of a majority of the outstanding shares entitled to vote thereon. Under Delaware law, a shareholder of a corporation participating in certain major corporate transactions may, under certain circumstances, be entitled to appraisal rights pursuant to which the shareholder may receive cash in the amount of the fair value of the shares held by that shareholder (as determined by a court) in lieu of the consideration that the shareholder would otherwise receive in the transaction. Delaware law does not provide shareholders of a corporation with voting or appraisal rights when the corporation acquires another business through the issuance of its stock or other consideration (i) in exchange for the assets of the business to be acquired; (ii) in exchange for the outstanding stock of the corporation to be acquired; (iii) in a merger of the corporation to be acquired with a subsidiary of the acquiring corporation; or (iv) in a merger in which the corporation's certificate of incorporation is not amended and the corporation issues less than 20% of its common shares outstanding prior to the merger.

Takeovers

Bermuda law provides that where an offer is made for shares of another company and, within four months of the offer, the holders of not less than 90% of the shares which are the subject of the offer (other than shares held by or for the offeror or its subsidiaries) accept, the offeror may by notice require the nontendering shareholders to transfer their shares on the terms of the offer. Dissenting shareholders may apply to the court within one month of the notice objecting to the transfer. The test is one of fairness to the body of the shareholders and not to individuals and the burden is on the dissenting shareholder to prove unfairness, not merely that the scheme is open to criticism. Delaware law provides that a parent corporation, by resolution of its board of directors and without any shareholder vote, may merge with any subsidiary of which it owns at least 90% of the outstanding shares of each class of stock that is entitled to vote on the transaction. Upon any such merger, dissenting shareholders of the subsidiary would have appraisal rights.

Interested Directors

Bermuda law and our bye-laws provide that if a director has an interest in a material contract or proposed material contract with us or any of our subsidiaries or has a material interest in any person that is a party to such a contract, the director must disclose the nature of that interest at the first opportunity either at a meeting of directors or in writing to the directors. Our bye-laws provide that, after a director has made such a declaration of interest, he is allowed to be counted for purposes of determining whether a quorum is present and to vote on a transaction in which he has an interest, unless disqualified from doing so by the chairman of the relevant board meeting. Under Delaware law such transaction would not be voidable if (i) the material facts as to such interested director's relationship or interests are disclosed to or are known by the board of directors and the board in good faith authorizes the transaction by the affirmative vote of a majority of the disinterested directors, (ii) such material facts are disclosed to or are known by the shareholders entitled to vote on such transaction and the transaction is specifically approved in good faith by vote of the majority of shares entitled to vote thereon or (iii) the transaction is fair as to the corporation as of the time it is authorized, approved or ratified. Under Delaware law, such interested director could be held liable for a transaction in which such director derived an improper personal benefit.

Shareholder's Suit

The rights of shareholders under Bermuda law are not as extensive as the rights of shareholders under legislation or judicial precedent in many U.S. jurisdictions. Class actions and derivative actions are generally not available to shareholders under the laws of Bermuda. However, the Bermuda courts ordinarily would be expected to follow English case law precedent, which would permit a shareholder to commence an action in our name to remedy a wrong done to us where the act complained of is alleged to be beyond our corporate power or is illegal or would result in the violation of our memorandum of association or bye-laws. Furthermore, consideration would be given by the court to acts that are alleged to constitute a fraud against the minority shareholders or where an act requires the approval of a greater percentage of shareholders than actually approved it. The winning party in such an action generally would be able to recover a portion of attorneys' fees incurred in connection with such action. Our bye-laws provide that shareholders waive all claims or rights of action that they might have, individually or in the right of Maiden, against any of our directors or officers for any act or failure to act in the performance of such director's or officer's duties, except with respect to any fraud or dishonesty of such director or officer. Class actions and derivative actions generally are available to shareholders under Delaware law for, among other things, breach of fiduciary duty, corporate waste and actions not taken in accordance with applicable law. In such actions, the court has discretion to permit the winning party to recover attorneys' fees incurred in connection with such action.

Indemnification of Directors and Officers

Our bye-laws indemnify our directors and officers in their capacity as such in respect of any loss arising or liability attaching to them by virtue of any rule of law in respect of any negligence, default, breach of duty or breach of trust of which a director or officer may be guilty in relation to us other than in respect of his own fraud or dishonesty, which is the maximum extent of indemnification permitted under the Companies Act. Under Delaware law, a corporation may indemnify a director or officer of the corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in defense of an action, suit or proceeding by reason of such position if (i) the director or officer acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and (ii) with respect to any criminal action or proceeding, if the director or officer had no reasonable cause to believe his conduct was unlawful. Under our bye-laws, each of our shareholders agrees to waive any claim or right of action, other than those involving fraud or dishonesty, against us or any of our officers or directors. In addition, we have entered into indemnification agreements with our directors and officers.

Inspection of Corporate Records

Members of the general public have the right to inspect our public documents available at the office of the Registrar of Companies in Bermuda, which includes our memorandum of association (including our objects and powers) and alterations to our memorandum of association, including any increase or reduction of our authorized capital. Our shareholders have the additional right to inspect our bye-laws, minutes of general meetings and our audited financial statements, which must be presented to the annual general meeting of shareholders. Our register of shareholders is also open to inspection by shareholders and to members of the public without charge. We are required to maintain a share register in Bermuda but may establish a branch register outside Bermuda. We are required to keep at our registered office a register of our directors and officers which is open for inspection by members of the public without charge. Bermuda law does not, however, provide a general right for shareholders to inspect or obtain copies of any other corporate records. Delaware law permits any shareholder to inspect or obtain copies of a corporation's shareholder list and its other books and records for any purpose reasonably related to such person's interest as a shareholder.

Enforcement of Judgments and Other Matters

We have been advised by Conyers Dill & Pearman Limited, our Bermuda counsel, that there is doubt as to whether the courts of Bermuda would enforce (i) judgments of U.S. courts obtained in actions against us or our directors and officers who may reside outside the United States, as well as the experts named in this prospectus who reside outside the United States, predicated upon the civil liability provisions of the U.S. federal securities laws and (ii) original actions brought in Bermuda against us or our directors and officers, as well as the experts named in this prospectus who reside outside the United States predicated solely upon U.S. federal securities laws. There is no treaty in effect between the United States and Bermuda providing for such enforcement, and there are grounds upon which Bermuda courts may not enforce judgments of U.S. courts. Certain remedies available under the laws of U.S. jurisdictions, including certain remedies available under the U.S. federal securities laws, would not be allowed in Bermuda courts as contrary to Bermuda's public policy.

Insurance Regulations Concerning Change of Control

State insurance laws intended primarily for the protection of policyholders contain certain requirements that must be met prior to any change of control of an insurance company or insurance holding company that is domiciled, or in some cases, having such substantial business that it is deemed commercially domiciled, in that state. These requirements may include the advance filing of specific information with the state insurance commission, a public hearing on the matter, and review and approval of the change of control by the state agencies. We have insurance subsidiaries domiciled or commercially domiciled in Missouri and North Carolina. Under the insurance laws in these states, "control" is presumed to exist through the ownership of 10% or more of the voting securities of an insurance company or any company that controls the insurance company. Any purchase of our shares that would result in the purchaser owning more than 10% of our voting securities will be presumed to result in the acquisition of control of our insurance subsidiaries and require prior regulatory approval.

DESCRIPTION OF PREFERENCE SHARES

This section describes the general terms and provisions of the preference shares that we may issue separately, upon exchange of a debt security, upon exercise of an equity warrant or in connection with a depositary share or unit. The applicable prospectus supplement will describe the specific terms, or modify the general terms, of any preference shares offered through that prospectus supplement and any special federal income tax consequences of those preference shares.

General

Our bye-laws authorize our board of directors, subject to any limitations prescribed by law, to issue preference shares in one or more series without shareholder approval. As of February 3, 2011, we had no preference shares outstanding. Each series of preference shares will have the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, as will be determined by the board of directors. The purpose of authorizing the board of directors to issue preference shares and determine its rights and preferences is to eliminate delays and uncertainties associated with a shareholder vote on specific issuances. The issuance of preference shares, while providing desirable flexibility in connection with possible acquisition and other corporate purposes, could have the effect of making it more difficult for a third party to acquire, or discourage a third party from acquiring, a majority of our outstanding voting shares. Our board of directors may issue preference shares with voting and conversion rights that could adversely affect the voting power of the holders of our common shares. There are no current agreements or understandings for the issuance of preference shares and our board of directors has no present intention to issue any preference shares.

The preference shares will be, when issued, fully paid and nonassessable. Unless otherwise specified in the applicable prospectus supplement, each series will rank on a parity as to dividends and distributions in the event of a liquidation with each other series of preference shares and, in all cases, will be senior to our common shares.

Dividend Rights

Unless otherwise set forth in the applicable prospectus supplement, holders of our preference shares of each series will be entitled to receive, when, as and if declared by our board of directors, out of our assets legally available therefor, cash dividends at the rates and on the dates as set forth in the applicable prospectus supplement. Holders of our preference shares will be entitled to receive dividends in preference to and in priority over dividends on common shares and may be cumulative or non-cumulative as determined by our board of directors. We will generally be able to pay dividends and distribute assets to holders of our preference shares only if we have satisfied our obligations on our debt that is then due and payable.

If the applicable prospectus supplement so provides, as long as any preference shares are outstanding, no dividends will be declared or paid or any distributions will be made on our common shares unless the accrued dividends on each series of preference shares have been declared and paid.

Each series of preference shares will be entitled to dividends as described in the applicable prospectus supplement. Different series of preference shares may be entitled to dividends at different dividend rates or based upon different methods of determination. Except as provided in the applicable prospectus supplement, no series of preference shares will be entitled to participate in our earnings or assets.

Liquidation Preference

Upon any dissolution, liquidation or “winding up” of Maiden, the holders of each series of preference shares will be entitled to receive out of our assets, whether from capital, surplus or earnings, and before any distribution of any assets is made on common shares, the amount per share fixed by the board of directors for that series of preference shares, as reflected in the applicable prospectus supplement, plus unpaid dividends, if any, to the date fixed for distribution. Unless otherwise indicated in the applicable prospectus supplement, holders of our preference shares will be entitled to no further participation in any distribution made in conjunction with any dissolution, liquidation or “winding up.”

Redemption

A series of preference shares may be redeemable, in whole or in part, at our option, and may be subject to mandatory redemption in connection with a sinking fund. The terms, times, redemption prices and types of consideration of the redemption will be set forth in the applicable prospectus supplement. The applicable prospectus supplement will also specify the number of shares of the series that we will redeem in each year commencing after a specified date, at a specified redemption price per share, together with an amount equal to any accrued and unpaid dividends to the date of redemption.

If, after giving notice of redemption to the holders of a series of preference shares, we deposit with a designated bank funds sufficient to redeem the series of preference shares, then from and after the deposit, all shares called for redemption will no longer be outstanding for any purpose, other than the right to receive the redemption price and the right, if applicable, to convert the preference shares into our common shares or other securities prior to the date fixed for redemption.

Except as indicated in the applicable prospectus supplement, the preference shares are not subject to any mandatory redemption at the option of the holder.

Sinking Fund

The applicable prospectus supplement for any series of preference shares will state the terms, if any, of a sinking fund for the purchase or redemption of that series.

Conversion and Exchange

The applicable prospectus supplement for any series of preference shares will state the terms, if any, on which shares of that series are convertible into or exchangeable for shares of common shares or, if applicable, other securities.

Voting Rights

Under ordinary circumstances, the holders of preference shares have no voting rights except as required by law. The applicable prospectus supplement may provide voting rights for holders of our preference shares.

Transfer Agent and Registrar

We will select the transfer agent, registrar and dividend disbursement agent for a series of preference shares, and each one will be described in the applicable prospectus supplement. The registrar for preference shares will send notices to shareholders of any meetings at which holders of our preference shares have the right to vote on any matter.

DESCRIPTION OF DEPOSITARY SHARES

The following description of the depositary shares does not purport to be complete and is subject to, and qualified in its entirety by, the deposit agreement and the depositary receipt relating to the preference shares that is attached to the deposit agreement. You should read these documents as they, and not this description, define your rights as a holder of depositary shares. Forms of these documents have been filed with the SEC as an exhibit to the registration statement of which this prospectus forms a part.

If we elect to offer fractional interests in preference shares, we will provide for the issuance by a depositary of depositary receipts for depositary shares. Each depositary share will represent fractional interests of preference shares. We will deposit preference shares underlying the depositary shares under a deposit agreement between us and a bank or trust company selected by us. The bank or trust company must have its principal office in the United States and a combined capital and surplus of at least \$50 million. The depositary receipts will evidence the depositary shares issued under the deposit agreement.

The deposit agreement will contain terms applicable to the holders of our depositary shares in addition to the terms stated in the depositary receipts. Each holder of depositary shares will be entitled to all the rights and preferences of the preference shares underlying the depositary shares in proportion to the applicable fractional interest in the underlying preference shares. The depositary will issue the depositary receipts to individuals purchasing the fractional interests in shares of the related preference shares according to the terms of the offering described in the applicable prospectus supplement.

Dividends and Other Distributions

The depositary will distribute all cash dividends or other cash distributions received for the preference shares to the holders of our depositary shares in proportion to the number of depositary shares that they own on the relevant record date. The depositary will distribute only an amount that can be distributed without attributing to any holder of depositary shares a fraction of one cent. The depositary will add the undistributed balance to, and treat it as part of, the next sum received by the depositary for distribution to holders of our depositary shares.

If there is a non-cash distribution, the depositary will distribute property received by it to the holders of our depositary shares in proportion, insofar as possible, to the number of depositary shares owned by them, unless the depositary determines, after consultation with us, that it is not feasible to make such distribution. If this occurs, the depositary may, with our approval, sell such property and distribute the net proceeds from the sale to the holders. The deposit agreement also will contain provisions relating to how any subscription or similar rights that we may offer to holders of the preference shares will be available to the holders of the depositary shares.

Conversion, Exchange and Redemption

If the preference shares underlying the depositary shares may be converted or exchanged, each holder of depositary receipts will have the right or obligation, as applicable, to convert or exchange the depositary shares represented by the depositary receipts.

Whenever we redeem preference shares held by the depositary, the depositary will redeem, at the same time, the number of depositary shares representing the preference shares. The depositary will redeem the depositary shares from the proceeds it receives from the corresponding redemption, in whole or in part, of the underlying preference shares. The depositary will mail notice of redemption to the holders of the depositary shares that are to be redeemed between 30 and 60 days before the date fixed for redemption. The redemption price per depositary share will be equal to the applicable fraction of the redemption price per share on the underlying preference shares. If less than all the depositary shares are to be redeemed, the depositary will select which shares to be redeemed by lot, proportionate allocation or any other method.

After the date fixed for redemption, the depositary shares called for redemption will no longer be outstanding. When the depositary shares are no longer outstanding, all rights of the holders will end, except the right to receive money, securities or other property payable upon redemption.

Voting

When the depositary receives notice of a meeting at which the holders of the preference shares are entitled to vote, the depositary will mail the particulars of the meeting to the holders of the depositary shares. Each holder of depositary shares on the record date may instruct the depositary on how to vote the preference shares underlying the holder's depositary shares. The depositary will try, if practical, to vote the number of preference shares underlying the depositary shares according to the instructions. The depositary will abstain from voting preference shares to the extent it does not receive specific instructions from the holders of our depositary shares representing such preference shares. We will agree to take all reasonable action requested by the depositary to enable it to vote as instructed.

Record Date

Whenever (1) any cash dividend or other cash distribution shall become payable, any distribution other than cash shall be made, or any rights, preferences or privileges shall be offered with respect to the underlying preference shares, or (2) the depositary shall receive notice of any meeting at which holders of the underlying preference shares are entitled to vote or of which holders of the underlying preference shares are entitled to notice, or of the mandatory conversion of or any election on our part to call for the redemption of any of the underlying preference shares, the depositary shall in each such instance fix a record date (which shall be the same as the record date for the underlying preference shares) for the determination of the holders (x) who shall be entitled to receive such dividend, distribution, rights, preferences or privileges or the net proceeds of the sale thereof or (y) who shall be entitled to give instructions for the exercise of voting rights at any such meeting or to receive notice of such meeting or of such redemption or conversion, subject to the provisions of the deposit agreement.

Amendments

We and the depositary may agree to amend the deposit agreement and the depositary receipt evidencing the depositary shares. Any amendment that (a) imposes or increases certain fees, taxes or other charges payable by the holders of the depositary shares as described in the deposit agreement or (b) otherwise prejudices any substantial existing right of holders of our depositary shares, will not take effect until 30 days after the depositary has mailed notice of the amendment to the record holders of our depositary shares. Any holder of depositary shares that continues to hold its shares at the end of the 30-day period will be deemed to have agreed to the amendment.

Termination

We may, at our option, direct the depositary to terminate the deposit agreement by mailing a notice of termination to holders of our depositary shares at least 30 days prior to termination. In addition, a deposit agreement will automatically terminate if:

- the depositary has redeemed all related outstanding depositary shares, or
- we have liquidated, terminated or wound up our business and the depositary has distributed the underlying preference shares to the holders of the related depositary shares.

The depositary may likewise terminate the deposit agreement if at any time 60 days shall have expired after the depositary shall have delivered to us a written notice of its election to resign and a successor depositary shall not have been appointed and accepted its appointment. If any depositary receipts remain outstanding after the date of termination, the depositary thereafter will discontinue the transfer of depositary receipts, will suspend the distribution of dividends to the holders thereof, and will not give any further notices (other than notice of such termination) or perform any further acts under the deposit agreement except that the depositary will continue (1) to collect dividends on the underlying preference shares and any other distributions with respect thereto and (2) to deliver the underlying preference shares together with such dividends and distributions and the net proceeds of any sales of rights, preferences, privileges or other property, without liability for interest thereon, in exchange for depositary receipts surrendered. At any time after the expiration of two years from the date of termination, the depositary may sell any underlying preference shares then held by it at public or private sales, at such place or places and upon such terms as it deems proper and may thereafter hold the net proceeds of any such sale, together with any money and other property then held by it, without liability for interest thereon, for the pro rata benefit of the holders of our depositary receipts which have not been surrendered.

Payment of Fees and Expenses

We will pay all fees, charges and expenses of the depositary, including the initial deposit of the preference shares and any redemption of the preference shares. Holders of our depositary shares will pay transfer and other taxes and governmental charges and any other charges as are stated in the deposit agreement for their accounts.

Resignation and Removal of Depositary

At any time, the depositary may resign by delivering written notice to us, and we may remove the depositary. Resignations or removals will take effect upon the appointment of a successor depositary and its acceptance of the appointment. The successor depositary must be appointed within 60 days after delivery of the notice of resignation or removal and must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50 million.

Reports

The depositary will forward to the holders of our depositary shares all reports and communications from us that are delivered to the depositary and that we are required by law, the rules of an applicable securities exchange or our amended articles of incorporation to furnish to the holders of the preference shares. The depositary will not be liable if it is prevented or delayed by law or any circumstances beyond its control in performing its obligations under the deposit agreement. The deposit agreement limits our obligations and the depositary's obligations to performance in good faith of the duties stated in the deposit agreement. The depositary will not be obligated to prosecute or defend any legal proceeding connected with any depositary shares or preference shares unless the holders of our depositary shares requesting the depositary to do so furnish it with satisfactory indemnity. In performing our obligations, we and the depositary may rely upon the written advice of our counsel or accountants, on any information that competent people provide to us and on documents that we believe are genuine.

DESCRIPTION OF DEBT SECURITIES

The debt securities will be issued in one or more series under an indenture to be entered into among Maiden NA, Maiden, as guarantor, and Wilmington Trust Company, as trustee. References herein to the “Indenture” refer to such indenture and references to the “Trustee” refer to such trustee or any other trustee for any particular series of debt securities issued under the Indenture. The terms of the debt securities of any series will be those specified in or pursuant to the Indenture and in the applicable debt securities of that series and those made part of the Indenture by the Trust Indenture Act of 1939, as amended.

The following description of selected provisions of the Indenture and the debt securities is not complete, and the description of selected terms of the debt securities of a particular series included in the applicable prospectus supplement also will not be complete. You should review the form of the Indenture and the form of the applicable debt securities, which forms have been or will be filed as exhibits to the registration statement of which this prospectus is a part or as exhibits to documents which have been or will be incorporated by reference in this prospectus. To obtain a copy of the Indenture or the form of the applicable debt securities, see “Where You Can Find More Information” in this prospectus. The following description of debt securities and the description of the debt securities of the particular series in the applicable prospectus supplement are qualified in their entirety by reference to all of the provisions of the Indenture and the applicable debt securities, which provisions, including defined terms, are incorporated by reference in this prospectus. Capitalized terms used but not defined in this section shall have the meanings assigned to those terms in the Indenture.

The following description of debt securities describes general terms and provisions of the series of debt securities to which any prospectus supplement may relate. When the debt securities of a particular series are offered for sale, the specific terms of such debt securities will be described in the applicable prospectus supplement. If any particular terms of such debt securities described in a prospectus supplement differ from any of the terms of the debt securities generally described in this prospectus, then the terms described in the applicable prospectus supplement will supersede the terms described in this prospectus.

General

The debt securities of each series will constitute the unsecured unsubordinated obligations of Maiden NA and will rank on a parity in right of payment with all of its other existing and future unsecured and unsubordinated indebtedness. Maiden NA may issue an unlimited principal amount of debt securities under the Indenture. The Indenture provides that debt securities of any series may be issued up to the aggregate principal amount which may be authorized from time to time by Maiden NA. Please read the applicable prospectus supplement relating to the debt securities of the particular series being offered thereby for the specific terms of such debt securities, including, where applicable:

- the title of the series of debt securities;
- any limit on the aggregate principal amount of debt securities of the series;
- the date or dates on which Maiden NA will pay the principal of and premium, if any, on debt securities of the series, or the method or methods, if any, used to determine such date or dates;
- the rate or rates, which may be fixed or variable, at which debt securities of the series will bear interest, if any, or the method or methods, if any, used to determine such rate or rates;
- the basis used to calculate interest, if any, on the debt securities of the series if other than a 360-day year of twelve 30-day months;

- whether the debt securities are entitled to the benefits of the guarantee of Maiden;
- the date or dates, if any, from which interest on the debt securities of the series will accrue, or the method or methods, if any, used to determine such date or dates;
- the date or dates, if any, on which the interest on the debt securities of the series will be payable and the record dates for any such payment of interest;
- the manner in which, or the person to whom, any interest on any bearer security of the series of debt securities will be payable, if different than upon presentation and surrender of the coupons relating to the bearer security;
- the terms and conditions, if any, upon which Maiden NA is required to, or may, at its option, redeem debt securities of the series;
- the terms and conditions, if any, upon which Maiden NA will be required to repurchase debt securities of the series at the option of the holders of debt securities of the series;
- the terms of any sinking fund or analogous provision;
- the portion of the principal amount of the debt securities of the series which will be payable upon acceleration if other than the full principal amount;
- the authorized denominations in which the series of debt securities will be issued, if other than minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof, in the case of registered securities, or minimum denominations of \$5,000, in the case of bearer securities;
- the place or places where (1) amounts due on the debt securities of the series will be payable, (2) the debt securities of the series may be surrendered for registration of transfer and exchange and, if applicable, for exchange for other securities or property, and (3) notices or demands to or upon Maiden NA in respect of the debt securities of the series or the Indenture may be served, if different than the corporate trust office of the Trustee;
- if other than U.S. dollars, the currency or currencies in which purchases of, and payments on, the debt securities of the series must be made and the ability, if any, of Maiden NA or the holders of debt securities of the series to elect for payments to be made in any other currency or currencies;
- whether the amount of payments on the debt securities of the series may be determined with reference to an index, formula, or other method or methods (any of those debt securities being referred to as “Indexed Securities”) and the manner used to determine those amounts;
- any addition to, modification, or deletion of, any covenant or Event of Default with respect to debt securities of the series;
- whether the debt securities of the series will be issuable in registered or bearer form or both and whether any debt securities of the series will be issued in temporary or permanent global form and, if so, the identity of the depository for the global debt securities;
- whether and under what circumstances Maiden NA will pay Additional Amounts on the debt securities of the series to any holder who is a United States Alien in respect of any tax, assessment, or other governmental charge and, if so, whether Maiden NA will have the option to redeem such debt securities rather than pay the Additional Amounts; and
- any other terms of debt securities of the series.

As used in this prospectus and any prospectus supplement relating to the offering of debt securities, references to the principal of and premium, if any, and interest, if any, on the debt securities of a series include Additional Amounts, if any, payable on the debt securities of such series in that context.

Maiden NA may issue debt securities as original issue discount securities to be sold at a substantial discount below their principal amount. In the event of an acceleration of the maturity of any original issue discount security, the amount payable to the holder upon acceleration will be determined in the manner described in the applicable prospectus supplement. Material federal income tax and other considerations applicable to original issue discount securities will be described in the applicable prospectus supplement.

The terms of the debt securities of any series may differ from the terms of the debt securities of any other series, and the terms of particular debt securities within any series may differ from each other. Unless otherwise specified in the applicable prospectus supplement, Maiden NA may, without the consent of, or notice to, the holders of the debt securities of any series, reopen an existing series of debt securities and issue additional debt securities of that series.

Other than to the extent provided with respect to the debt securities of a particular series and described in an applicable prospectus supplement, the Indenture will not contain any provisions that would limit our ability or the ability of Maiden NA to incur indebtedness or to substantially reduce or eliminate our consolidated assets, which may have an adverse effect on the ability of us or Maiden NA to service our or Maiden NA's indebtedness (including the debt securities) or that would afford holders of the debt securities protection in the event of:

- (1) a highly leveraged or similar transaction involving us, our management, or any affiliate of any of those parties,
- (2) a change of control, or
- (3) a reorganization, restructuring, merger, or similar transaction involving us or our affiliates that may adversely affect the holders of our debt securities.

Registration, Transfer, Payment, and Paying Agent

Unless otherwise specified in the applicable prospectus supplement, each series of debt securities will be issued in registered form only, without coupons. The Indenture, however, provides that Maiden NA may also issue debt securities in bearer form only, or in both registered and bearer form. Purchasers of bearer securities will be subject to certification procedures and may be affected by limitations under United States tax laws. The terms of the bearer securities of the particular series and the applicable procedures and limitations will be described in the applicable prospectus supplement.

Unless otherwise specified in the applicable prospectus supplement, registered securities will be issued in minimum denominations of \$2,000 or any integral multiple of \$1,000 in excess thereof, and bearer securities will be issued in minimum denominations of \$5,000.

Unless otherwise specified in the applicable prospectus supplement, the debt securities will be payable and may be surrendered for registration of transfer or exchange and, if applicable, for exchange for other securities or property, at an office or agency maintained by Maiden NA in Wilmington, Delaware. However, Maiden NA, at its option, may make payments of interest on any interest payment date on any registered security by check mailed to the address of the person entitled to receive that payment or by wire transfer to an account maintained by the payee with a bank located in the United States.

Any interest not punctually paid or duly provided for on any interest payment date with respect to the debt securities of any series will forthwith cease to be payable to the holders of those debt securities on the applicable regular record date and may either be paid to the persons in whose names those debt securities are registered at the close of business on a special record date for the payment of the interest not punctually paid or duly provided for to be fixed by the Trustee, notice whereof shall be given to the holders of those debt securities not less than 10 days prior to the special record date, or may be paid at any time in any other lawful manner, all as completely described in the Indenture.

Subject to certain limitations imposed on debt securities issued in book-entry form, the debt securities of any series will be exchangeable for other debt securities of the same series and of a like aggregate principal amount and tenor of different authorized denominations upon surrender of those debt securities at the designated place or places. In addition, subject to certain limitations imposed upon debt securities issued in book-entry form, the debt securities of any series may be surrendered for registration of transfer or exchange thereof at the designated place or places if duly endorsed or accompanied by a written instrument of transfer. No service charge shall be made for any registration of transfer or exchange, redemption or repayment of debt securities, or for any exchange of debt securities for other securities or property, but Maiden NA may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with certain of those transactions.

Unless otherwise specified in the applicable prospectus supplement, Maiden NA will not be required to:

- issue, register the transfer of or exchange debt securities of any series during a period beginning at the opening of business 15 days before any selection of debt securities of that series of like tenor and terms to be redeemed and ending at the close of business on the day of that selection;
- register the transfer of or exchange any registered security, or portion of any registered security, called for redemption, except the unredeemed portion of any registered security being redeemed in part; or
- issue, register the transfer of or exchange a debt security which has been surrendered for repurchase at the option of the holder, except the portion, if any, of the debt security not to be repurchased.

Book-Entry Debt Securities

The debt securities of a series may be issued in whole or in part in the form of one or more global debt securities. Global debt securities will be deposited with, or on behalf of, a depository identified in the applicable prospectus supplement relating thereto. Global debt securities may be issued in either registered or bearer form and in either temporary or permanent form. Unless and until it is exchanged in whole or in part for individual certificates evidencing debt securities, a global debt security may not be transferred except as a whole by the depository to its nominee or by the nominee to the depository or by the depository or its nominee to a successor depository or to a nominee of the successor depository.

Maiden NA anticipates that global debt securities will be deposited with, or on behalf of, The Depository Trust Company, or DTC, New York, New York, and that global debt securities will be registered in the name of DTC's nominee, Cede & Co. Maiden NA also anticipates that the following provisions will apply to the depository arrangements with respect to global debt securities. Additional or differing terms of the depository arrangements will be described in the applicable prospectus supplement.

DTC has advised us that it is:

- a limited-purpose trust company organized under the New York Banking Law;

- a “banking organization” within the meaning of the New York Banking Law;
- a member of the Federal Reserve System;
- a “clearing corporation” within the meaning of the New York Uniform Commercial Code; and
- a “clearing agency” registered pursuant to the provisions of Section 17A of the Exchange Act.

DTC holds securities that its participants deposit with DTC. DTC also facilitates the settlement among its participants of securities transactions, including transfers and pledges, in deposited securities through electronic computerized book-entry changes in participants’ accounts, which eliminates the need for physical movement of securities certificates. Direct participants include securities brokers and dealers, banks, trust companies, clearing corporations, and other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others, sometimes referred to in this prospectus as indirect participants, that clear transactions through or maintain a custodial relationship with a direct participant either directly or indirectly. Indirect participants include securities brokers and dealers, banks and trust companies. The rules applicable to DTC and its participants are on file with the SEC.

Purchases of debt securities within the DTC system must be made by or through direct participants, which will receive a credit for the debt securities on DTC’s records. The ownership interest of the actual purchaser or beneficial owner of a debt security is, in turn, recorded on the direct and indirect participants’ records. Beneficial owners will not receive written confirmation from DTC of their purchases, but beneficial owners are expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the direct or indirect participants through which they purchased the debt securities. Transfers of ownership interests in debt securities are to be accomplished by entries made on the books of participants acting on behalf of beneficial owners. Beneficial owners will not receive certificates representing their ownership interests in the debt securities except in the limited circumstances described below.

To facilitate subsequent transfers, all debt securities deposited by participants with DTC will be registered in the name of DTC’s nominee, Cede & Co. The deposit of debt securities with DTC and their registration in the name of Cede & Co. will not change the beneficial ownership of the debt securities. DTC has no knowledge of the actual beneficial owners of the debt securities. DTC’s records reflect only the identity of the direct participants to whose accounts the debt securities are credited. Those participants may or may not be the beneficial owners. The participants are responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to direct participants, by direct participants to indirect participants and by direct and indirect participants to beneficial owners will be governed by arrangements among them, subject to any legal requirements in effect from time to time.

Redemption notices shall be sent to DTC or its nominee. If less than all of the debt securities of a series are being redeemed, DTC will reduce the amount of the interest of direct participants in the debt securities in accordance with its procedures.

A beneficial owner of debt securities shall give notice to elect to have its debt securities repurchased or tendered, through its participant to the Trustee and shall effect delivery of such debt securities by causing the direct participant to transfer the participant’s interest in such debt securities, on DTC’s records, to the Trustee. The requirement for physical delivery of debt securities in connection with a repurchase or tender will be deemed satisfied when the ownership rights in such debt securities are transferred by direct participants on DTC’s records and followed by a book-entry credit of such debt securities to the Trustee’s DTC account.

In any case where a vote may be required with respect to the debt securities of any series, neither DTC nor Cede & Co. will give consents for or vote such global debt securities. Under its usual procedures, DTC will mail an omnibus proxy to Maiden NA as soon as possible after the record date. The omnibus proxy assigns the consenting or voting rights of Cede & Co. to those direct participants to whose accounts the debt securities are credited on the record date identified in a listing attached to the omnibus proxy.

Principal of and premium, if any, and interest, if any, on the global debt securities will be paid to Cede & Co., as nominee of DTC. DTC's practice is to credit direct participants' accounts on the relevant payment date unless DTC has reason to believe that it will not receive payments on the payment date. Payments by direct and indirect participants to beneficial owners will be governed by standing instructions and customary practices, as is the case with securities held for the account of customers in bearer form or registered in "street name." Those payments will be the responsibility of participants and not of DTC or Maiden NA, subject to any legal requirements in effect from time to time. Payment of principal, premium, if any, and interest, if any, to Cede & Co. is Maiden NA's responsibility, disbursement of payments to direct participants is the responsibility of DTC, and disbursement of payments to the beneficial owners is the responsibility of direct and indirect participants.

Except as described in this prospectus, owners of beneficial interests in a global debt security will not be entitled to have debt securities registered in their names and will not receive physical delivery of debt securities. Accordingly, each beneficial owner must rely on the procedures of DTC to exercise any rights under the debt securities and the Indenture.

The laws of some jurisdictions may require that some purchasers of securities take physical delivery of securities in definitive form. These laws may impair the ability to transfer or pledge beneficial interests in global debt securities.

DTC is under no obligation to provide its services as depository for the debt securities of any series and may discontinue providing its services at any time. Neither we, Maiden NA nor the Trustee will have any responsibility for the performance by DTC or its participants or indirect participants under the rules and procedures governing DTC. As noted above, owners of beneficial interests in a global debt security will not receive certificates representing their interests. However, if

- DTC notifies Maiden NA that it is unwilling or unable to continue as a depository for the global debt securities of any series or if DTC ceases to be a clearing agency registered under the Exchange Act and a successor depository is not appointed by Maiden NA within 90 days of the notification or of Maiden NA's becoming aware of DTC's ceasing to be so registered, as the case may be,
- Maiden NA determines, in its sole discretion, not to have the debt securities of any series represented by one or more global debt securities, or
- an Event of Default under the Indenture has occurred and is continuing with respect to the debt securities of any series and DTC wishes to exchange such global debt securities for definitive certificated debt securities,

Maiden NA will prepare and deliver certificates for the debt securities of that series in exchange for beneficial interests in the global debt securities. Any beneficial interest in a global debt security that is exchangeable under the circumstances described in the preceding sentence will be exchangeable for debt securities in definitive certificated form registered in the names that the depository shall direct. It is expected that these directions will be based upon directions received by the depository from its participants with respect to ownership of beneficial interests in the global debt securities.

We obtained the information in this section and elsewhere in this prospectus concerning DTC and DTC's book-entry system from sources that we believe to be reliable, but neither we nor any applicable underwriters, agents or dealers take any responsibility for the accuracy of this information.

Outstanding Debt Securities

In determining whether the holders of the requisite principal amount of outstanding debt securities have given any request, demand, authorization, direction, notice, consent, or waiver under the Indenture:

- the principal amount of an original issue discount security that shall be deemed to be outstanding for these purposes shall be that portion of the principal amount of the original issue discount security that would be due and payable upon acceleration of the original issue discount security as of the date of the determination,
- the principal amount of any Indexed Security that shall be deemed to be outstanding for these purposes shall be the principal amount of the Indexed Security determined on the date of its original issuance,
- the principal amount of a debt security denominated in a foreign currency shall be the U.S. dollar equivalent, determined on the date of its original issuance, of the principal amount of the debt security, and
- a debt security owned by Maiden NA or any obligor on the debt security or any affiliate of Maiden NA or such other obligor shall be deemed not to be outstanding.

Redemption and Repurchase

The debt securities of any series may be redeemable at Maiden NA's option or may be subject to mandatory redemption by Maiden NA as required by a sinking fund or otherwise. In addition, the debt securities of any series may be subject to repurchase by Maiden NA at the option of the holders. The applicable prospectus supplement will describe the terms and conditions regarding any optional or mandatory redemption or option to repurchase the debt securities of the related series.

Exchange

The terms and conditions, if any, on which debt securities of any series are exchangeable for shares of our common shares or other securities or property will be set forth in the applicable prospectus supplement.

Guarantees by Maiden

Unless specified otherwise in the applicable prospectus supplement, Maiden NA's obligations under the debt securities will be fully and unconditionally guaranteed on an unsecured and unsubordinated basis by Maiden. The guarantee will be Maiden's direct obligation, ranking equally and ratably in right of payment with all of its other existing and future unsecured and unsubordinated obligations, other than obligations preferred by law. Maiden's obligations under any guarantee will be limited to the maximum amount permitted under applicable federal or state law.

Certain Covenants

Any material covenants applicable to the debt securities of any series not described in this prospectus will be specified in the applicable prospectus supplement.

Merger, Consolidation, and Transfer of Assets

The Indenture provides that neither Maiden NA nor Maiden, as guarantor, may, in any transaction or series of related transactions, consolidate or amalgamate with or merge into any other person or sell, lease, assign, transfer, or otherwise convey all or substantially all of their assets to any other person unless:

- in such transaction or transactions involving Maiden NA, either (1) Maiden NA shall be the continuing person (in the case of a merger) or (2) the successor person (if other than Maiden NA) formed by or resulting from the consolidation or amalgamation or merger or to which such sale, assignment, transfer, lease or other conveyance of all or substantially all of the properties and assets of Maiden NA is made, shall be a corporation organized and existing under the laws of the United States or Bermuda, and such successor person shall expressly assume the due and punctual payment of the principal of, premium, if any, and interest, if any, on all the debt securities outstanding under the Indenture and the due and punctual performance of all of Maiden NA's other obligations under the Indenture and the debt securities outstanding thereunder, including any applicable exchange rights of holders;
- in such transaction or transactions involving Maiden, either (1) Maiden shall be the continuing person (in the case of a merger) or (2) the successor person (if other than Maiden) formed by or resulting from the consolidation or amalgamation or merger or to which such sale, assignment, transfer, lease or other conveyance of all or substantially all of the properties and assets of Maiden is made, shall be a corporation organized and existing under the laws of the United States or Bermuda, and such successor person shall expressly assume the due and punctual performance of all of Maiden's obligations under the Indenture and the debt securities outstanding thereunder;
- immediately after giving effect to such transaction or transactions, no Event of Default under the Indenture, and no event which, after notice or lapse of time or both would become an Event of Default under the Indenture, shall have occurred and be continuing; and
- the Trustee shall have received an officer's certificate and opinion of counsel from Maiden NA or Maiden, as applicable, to the effect that all conditions precedent have been satisfied.

Upon any consolidation or amalgamation by Maiden NA or Maiden, as guarantor, with, or Maiden NA's or Maiden's merger into, any other person or any sale, assignment, transfer, lease, or conveyance of all of the properties and assets of Maiden NA or Maiden, as applicable, to any person in accordance with the provisions of the Indenture described above, the successor person formed by the consolidation or amalgamation or into which Maiden NA or Maiden, as the case may be, is merged or to which the sale, assignment, transfer, lease, or other conveyance is made shall succeed to, and be substituted for, Maiden NA or Maiden, as guarantor, and may exercise every right and power of Maiden NA or Maiden, as applicable, under the Indenture with the same effect as if such successor person had been named as Maiden NA or Maiden, as applicable, therein; and thereafter, except in the case of a lease, the predecessor person shall be released from all obligations and covenants under the Indenture and the debt securities issued under that Indenture.

Events of Default

Unless otherwise specified in the applicable prospectus supplement, an Event of Default with respect to the debt securities of any series is defined in the Indenture as being:

- (1) failure to pay interest for 30 days after the date payment is due and payable on any debt security of that series;

- (2) failure to pay principal or premium, if any, on any debt security of that series when due, either at maturity, upon any redemption, by declaration or otherwise;
- (3) failure to make any sinking fund payment or payment under any analogous provision when due with respect to any debt security of that series;
- (4) other than in accordance with the terms of the Indenture, the cessation of a guarantee of any debt security of that series to be in full force and effect, or the declaration of a guarantee of any debt security of that series to be null and void and unenforceable, or the finding of a guarantee of any debt security of that series to be invalid, or the denial by Maiden, as guarantor, of its liability under its guarantee;
- (5) failure to perform any other covenant for 60 days after notice of such performance was required;
- (6) specified events of bankruptcy, insolvency, or reorganization with respect to Maiden NA, Maiden or any Significant Subsidiary of Maiden NA or Maiden; or
- (7) any other Event of Default established for the debt securities of that series.

No Event of Default with respect to any particular series of debt securities necessarily constitutes an Event of Default with respect to any other series of debt securities. The Trustee is required to give notice to holders of the debt securities of any series within 90 days after the Trustee has knowledge of a default relating to such debt securities; *provided, however*, that the Trustee may withhold such notice except a default in payment of principal, premium, if any, interest, if any, Additional Amounts, if any, or sinking fund payments, if any, in respect of such debt securities or a default or in the delivery of securities or property upon exchange of such debt securities in accordance with their terms, if the Trustee, in good faith, determines it is in the best interest of such holders to do so.

If an Event of Default specified in clause (6) above occurs with respect to Maiden NA or Maiden and is continuing, then the principal of all the debt securities and interest, if any, thereon shall automatically become immediately due and payable. If any other Event of Default with respect to the debt securities of any series occurs and is continuing, either the Trustee or the holders of at least 25% in aggregate principal amount of the debt securities of that series then outstanding may declare the principal of, or if debt securities of that series are original issue discount securities, such lesser amount as may be specified in the terms of that series of debt securities, and interest, if any, thereon to be due and payable immediately. However, upon specified conditions, the holders of a majority in aggregate principal amount of the debt securities of that series then outstanding may rescind and annul any such acceleration and its consequences.

The Indenture provides that no holders of debt securities of any series may institute any proceedings, judicial or otherwise, with respect to the Indenture, or for the appointment of a receiver or Trustee, or for any remedy thereunder, except in the case of failure of the Trustee, for 60 days, to act after it has received a written request to institute proceedings in respect of an Event of Default from the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series, as well as an offer of indemnity reasonably satisfactory to it, and no inconsistent direction has been given to the Trustee during such 60 day period by the holders of a majority in aggregate principal amount of the debt securities of that series. Notwithstanding any other provision of the Indenture, the holder of a debt security will have the right, which is absolute and unconditional, to receive payment of the principal of and premium, if any, and interest, if any, and any Additional Amounts on that debt security on the respective due dates for those payments and, in the case of any debt security which is exchangeable for other securities or property, to exchange that debt security in accordance with its terms, and to institute suit for the enforcement of those payments and any right to effect such exchange, and this right shall not be impaired without the consent of such holder.

Subject to the provisions of the Trust Indenture Act requiring the Trustee, during the continuance of an Event of Default under the Indenture, to act with the requisite standard of care, the Trustee is under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the holders of debt securities of any series unless those holders have offered the Trustee reasonable indemnity. The holders of a majority in aggregate principal amount of the outstanding debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or of exercising any trust or power conferred upon the Trustee.

Within 120 days after the close of each fiscal year, Maiden NA and Maiden, as guarantor, must deliver to the Trustee an officers' certificate stating whether or not each certifying officer has knowledge of any default under the Indenture and, if so, specifying each such default and the nature and status thereof.

Modification, Waivers, and Meetings

The Indenture permits Maiden NA, Maiden, as guarantor, and the Trustee, with the consent of the holders of a majority in aggregate principal amount of the outstanding debt securities of each series issued under the Indenture and affected by a modification or amendment (voting as separate classes), to modify or amend any of the provisions of the Indenture or of the debt securities of the applicable series or the rights of the holders of the debt securities of the applicable series under the Indenture. However, no modification or amendment shall, among other things:

- change the stated maturity of the principal of, or premium, if any, or any installment of interest, if any, on or any Additional Amounts, if any, with respect to any debt securities, or
- reduce the principal of or any premium on any debt securities or reduce the rate (or modify the calculation of such rate) of interest on or the redemption or repurchase price of any debt securities, or any Additional Amounts with respect to any debt securities, or change Maiden NA's obligation to pay Additional Amounts, or
- reduce the amount of principal of any original issue discount securities that would be due and payable upon acceleration of the maturity of any debt security, or
- adversely affect any right of repayment or repurchase at the option of any holder, or
- release Maiden, as guarantor, from any of its obligations under its guarantee or the Indenture other than in accordance with the terms of the Indenture,
- change any place where or the currency in which any debt securities are payable, or
- adversely affect the right, if any, of holders to exchange any debt securities for other securities or property in accordance with their terms, or
- impair the holder's right to institute suit to enforce the payment of any debt securities on or after their stated maturity or the right to exchange any debt securities in accordance with their terms, or
- reduce the percentage of the outstanding debt securities of any series whose holders must consent to any modification or amendment or any waiver of compliance with specific provisions of such Indenture or specified defaults under the Indenture and their consequences, or
- reduce the requirements for a quorum or voting at a meeting of holders of the applicable debt securities,

without, in each case, obtaining the consent of the holder of each outstanding debt security affected by the modification or amendment.

The Indenture also contains provisions permitting Maiden NA, Maiden, as guarantor, and the Trustee, without the consent of the holders of any debt securities, to modify or amend the Indenture, among other things:

- to add to the Events of Default or covenants in a manner that benefits the holders of all or any series of debt securities issued under the Indenture;
- to provide for security of debt securities of any series or add guarantees;
- to add to or change any provisions of the Indenture to facilitate the issuance of bearer securities;
- to establish the form or terms of debt securities of any series and any related coupons;
- to cure any ambiguity or correct or supplement any provision in such Indenture which may be defective or inconsistent with other provisions in the Indenture, or to make any other provisions with respect to matters or questions arising under the Indenture, or to make any change necessary to comply with any requirement of the SEC in connection with the Indenture under the Trust Indenture Act, in each case which shall not adversely affect the interests of the holders of any series of debt securities;
- to amend or supplement any provision contained in the Indenture, provided that the amendment or supplement does not apply to any outstanding debt securities issued before the date of the amendment or supplement and entitled to the benefits of that provision; or
- to conform the terms of the Indenture or the debt securities to the description thereof contained in any prospectus or other offering document or memorandum relating to the offer and sale of those debt securities.

The holders of a majority in aggregate principal amount of the outstanding debt securities of any series may waive Maiden NA's or Maiden's compliance with some of the restrictive provisions of the Indenture, which may include covenants, if any, which are specified in the applicable prospectus supplement. The holders of a majority in aggregate principal amount of the outstanding debt securities of any series may, on behalf of all holders of debt securities of that series, waive any past default under the Indenture with respect to the debt securities of that series and its consequences, except a default (i) in the payment of the principal of, or premium, if any, or interest, if any, on the debt securities of that series, (ii) in the delivery of securities or property upon the exchange of any debt securities of that series in accordance with their terms, or (iii) in respect of a covenant or provision which cannot be modified or amended without the consent of the holder of each outstanding debt security of the affected series.

The Indenture contains provisions for convening meetings of the holders of a series of debt securities. A meeting may be called at any time by the Trustee, and also, upon Maiden NA's request, or the request of holders of at least 10% in aggregate principal amount of the outstanding debt securities of a series. Notice of a meeting must be given in accordance with the provisions of the Indenture. Except for any consent which must be given by the holder of each outstanding debt security affected in the manner described above, any resolution presented at a meeting or adjourned meeting duly reconvened at which a quorum, as described below, is present may be adopted by the affirmative vote of the holders of a majority in aggregate principal amount of the outstanding debt securities of that series. However, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver, or other action which may be made, given or taken by the holders of a specified percentage, other than a majority, in aggregate principal amount of the outstanding debt securities of a series may be adopted at a meeting or adjourned meeting duly reconvened at which a quorum is present by the affirmative vote of the holders of that specified percentage in aggregate principal amount of the outstanding debt securities of that series. Any resolution passed or decision taken at any meeting of holders of debt securities of any series duly held in accordance with the Indenture will be binding on all holders of debt securities of that series and the related coupons, if any. The quorum at any meeting called to adopt a resolution, and at any reconvened meeting, will be persons holding or representing a majority in aggregate principal amount of the outstanding debt securities of a series, subject to exceptions; provided, however, that if any action is to be taken at that meeting with respect to a consent or waiver which may be given by the holders of a supermajority in aggregate principal amount of the outstanding debt securities of a series, the persons holding or representing that specified supermajority percentage in aggregate principal amount of the outstanding debt securities of that series will constitute a quorum.

Discharge, Defeasance, and Covenant Defeasance

Satisfaction and Discharge

Upon Maiden NA's direction, the Indenture shall cease to be of further effect with respect to the debt securities of any series specified by Maiden NA, subject to the survival of specified provisions of the Indenture, including Maiden NA's obligation to repurchase such debt securities at the option of the holders thereof or to exchange such debt securities into other securities or property in accordance with their terms, if applicable, and Maiden NA's obligation to pay Additional Amounts in respect of such debt securities to the extent described below, when:

- either

(A) all outstanding debt securities of that series and, in the case of bearer securities, all related coupons have been delivered to the Trustee for cancellation, subject to exceptions, or

(B) all debt securities of that series and, if applicable, any related coupons have become due and payable or will become due and payable at their maturity within one year or are to be called for redemption within one year, and Maiden NA has deposited with the Trustee, in trust, funds in the currency in which the debt securities of that series are payable in an amount sufficient to pay the entire indebtedness on the debt securities of that series and, if applicable, related coupons, including the principal thereof and, premium, if any, and interest, if any, thereon, and, to the extent that (x) the debt securities of that series provide for the payment of Additional Amounts and (y) the amount of any Additional Amounts which are or will be payable is at the time of deposit reasonably determinable by Maiden NA, in the exercise of its sole discretion, those Additional Amounts, to the date of such deposit, if the debt securities of that series have become due and payable, or to the maturity or redemption date of the debt securities of that series, as the case may be;

- Maiden NA has paid all other sums payable under the Indenture with respect to the debt securities of that series (including amounts payable to the Trustee); and
- the Trustee has received an officers' certificate and an opinion of counsel to the effect that all conditions precedent to the satisfaction and discharge of the Indenture have been satisfied.

If the debt securities of any series provide for the payment of Additional Amounts, Maiden NA will remain obligated, following the deposit described above, to pay Additional Amounts on those debt securities to the extent that they exceed the amount deposited in respect of those Additional Amounts as described above.

Defeasance and Covenant Defeasance

Unless otherwise specified in the applicable prospectus supplement, Maiden NA may elect with respect to the debt securities of the particular series either:

- to defease and discharge itself and Maiden, as guarantor, from any and all obligations with respect to those debt securities (“full defeasance”), except for, among other things:
 - (1) the obligation to pay Additional Amounts, if any, upon the occurrence of specified events of taxation, assessment, or governmental charge with respect to payments on those debt securities to the extent that those Additional Amounts exceed the amount deposited in respect of those amounts as provided below;
 - (2) the obligations to register the transfer or exchange of those debt securities;
 - (3) the obligation to replace temporary or mutilated, destroyed, lost, or stolen debt securities;
 - (4) the obligation to maintain an office or agency in respect of those debt securities;
 - (5) the obligation to hold moneys for payment in respect of those debt securities in trust; and
 - (6) the obligation, if applicable, to repurchase those debt securities at the option of the holders thereof or to exchange those debt securities for other securities or property in accordance with their terms, or
- to be released from its obligations and to release Maiden, as guarantor, of its obligations with respect to those debt securities under certain covenants in the Indenture and, if applicable, other covenants as may be specified in the applicable prospectus supplement, and any omission to comply with those obligations shall not constitute a default or an Event of Default with respect to those debt securities (“covenant defeasance”),

in either case upon the irrevocable deposit with the Trustee, or other qualifying Trustee, in trust for that purpose, of an amount in the currency in which those debt securities are payable at maturity or, if applicable, upon redemption, and/or government obligations which through the payment of principal and interest in accordance with their terms will provide money, in an amount sufficient to pay the principal of and any premium and any interest on, and, to the extent that (x) those debt securities provide for the payment of Additional Amounts and (y) the amount of the Additional Amounts which are or will be payable is at the time of deposit reasonably determinable by Maiden NA, in the exercise of its sole discretion, the Additional Amounts with respect to, those debt securities, and any mandatory sinking fund or analogous payments on those debt securities, on the due dates for those payments, whether at maturity, upon redemption, upon repayment at the option of the holder or otherwise.

The full defeasance or covenant defeasance described above shall only be effective if, among other things:

- it shall not result in a breach or violation of, or constitute a default under, the Indenture or any other material agreement or instrument to which Maiden NA, Maiden, as guarantor, or any of their subsidiaries are a party or are bound;
- in the case of full defeasance, Maiden NA shall have delivered to the Trustee an opinion of independent counsel reasonably acceptable to the Trustee confirming that:
 - (A) Maiden NA has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the date of the Indenture, there has been a change in applicable federal income tax law,

in either case to the effect that, and based on this ruling or change the opinion of counsel shall confirm that, the holders of the debt securities of the applicable series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the full defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the defeasance had not occurred;

- in the case of covenant defeasance, Maiden NA shall have delivered to the Trustee an opinion of independent counsel reasonably acceptable to the Trustee to the effect that the holders of the debt securities of the applicable series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the covenant defeasance had not occurred;
- if the cash and government obligations deposited are sufficient to pay the outstanding debt securities of the applicable series on a particular redemption date, Maiden NA shall have given the Trustee irrevocable instructions to redeem those debt securities on that date;
- no Event of Default or default which with notice or lapse of time or both would become an Event of Default with respect to debt securities of the applicable series shall have occurred and be continuing on the date of the deposit into trust; and, solely in the case of full defeasance, no Event of Default arising from specified events of bankruptcy, insolvency, or reorganization with respect to Maiden NA, Maiden, as guarantor, or any of their Significant Subsidiaries or default which with notice or lapse of time or both would become such an Event of Default shall have occurred and be continuing during the period ending on the 91st day after the date of the deposit into trust; and
- Maiden NA shall have delivered to the Trustee an officers' certificate and legal opinion to the effect that all conditions precedent to the full defeasance or covenant defeasance, as the case may be, have been satisfied.

In the event Maiden NA effects covenant defeasance with respect to debt securities of any series and those debt securities are declared due and payable because of the occurrence of any Event of Default other than an Event of Default with respect to the covenants as to which covenant defeasance has been effected, which covenants would no longer be applicable to the debt securities of that series after covenant defeasance, the amount of monies and/or government obligations deposited with the Trustee to effect covenant defeasance may not be sufficient to pay amounts due on the debt securities of that series at the time of any acceleration resulting from that Event of Default. However, Maiden NA would remain liable to make payment of those amounts due at the time of acceleration.

The applicable prospectus supplement may further describe the provisions, if any, permitting or restricting full defeasance or covenant defeasance with respect to the debt securities of a particular series.

Concerning the Trustee

The Indenture provides that there may be more than one Trustee under the Indenture, each with respect to one or more series of debt securities. If there are different Trustees for different series of debt securities, each Trustee will be a Trustee separate and apart from any other Trustee under the Indenture. Unless otherwise indicated in any applicable prospectus supplement, any action permitted to be taken by a Trustee may be taken by such Trustee only with respect to the one or more series of debt securities for which it is the Trustee under the Indenture. Any Trustee under the Indenture may resign or be removed with respect to one or more series of debt securities. All payments of principal of, and premium, if any, and interest on, and all registration, transfer, exchange, authentication and delivery (including authentication and delivery on original issuance of the debt securities) of, the debt securities of a series will be effected by the Trustee with respect to that series at an office designated by the trustee in Wilmington, Delaware.

Under the Trust Indenture Act, the Indenture is deemed to contain limitations on the right of the Trustee, should it become a creditor of Maiden NA or Maiden, as guarantor, to obtain payment of claims in some cases or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee may engage in other transactions with Maiden NA or Maiden. If it acquires any conflicting interest relating to any of its duties with respect to the debt securities, however, it must eliminate the conflict or resign as Trustee.

The holders of a majority in aggregate principal amount of any series of debt securities then outstanding will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee with respect to such series of debt securities, provided that the direction would not conflict with any rule of law or with the Indenture or with any series of debt securities or with any series of debt securities, such direction would not be unduly prejudicial to the rights of another holders of the debt securities (or any other series), and the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction. The Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any of the holders of the debt securities, unless they shall have offered to the Trustee security and indemnity reasonably satisfactory to the Trustee.

Wilmington Trust Company is the Trustee under the Indenture. We maintain corporate trust relationships in the ordinary course of business with the Trustee.

Governing Law

The Indenture, the debt securities and the guarantees will be governed by, and construed in accordance with, the laws of the State of New York.

DESCRIPTION OF WARRANTS

This section describes the general terms and provisions of the warrants we may issue for the purchase of securities that may be offered under this prospectus. We may issue warrants independently or together with other securities offered by any prospectus supplement and may attach warrants to those securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a bank or trust company, as warrant agent, all as set forth in the applicable prospectus supplement relating to the particular issue of the warrants. The warrant agent will act solely as our agent in connection with warrant certificates evidencing the warrants and will not assume any obligation or relationship of agency or trust for or with any holders of certificates evidencing warrants or beneficial owners of warrants.

The following describes certain general terms and provisions of warrants we may offer. We will set forth further terms of the warrants and the applicable warrant agreement in the applicable prospectus supplement.

Warrants

The applicable prospectus supplement relating to a particular issue of warrants to issue preference shares, depositary shares, common shares or other securities will describe the terms of those warrants, including the following, if applicable:

- the title of the warrants;
- the offering price for the warrants, if any;
- the aggregate number of the warrants;
- the designation and terms of the securities purchasable upon exercise of the warrants;
- the designation and terms of the securities that the warrants are issued with and the number of warrants issued with each security;
- the date from and after which the warrants and any securities issued with the warrants will be separately transferable;
- the number of securities that may be purchased upon exercise of a warrant and the price at which the securities may be purchased upon exercise;
- the dates on which the right to exercise the warrants will commence and expire;
- the minimum or maximum amount of the warrants that may be exercised at any one time;
- the currency or currency units in which the offering price, if any, and the exercise price are payable;
- a discussion of material United States federal income tax considerations;
- anti-dilution provisions of the warrants, if any;
- redemption or call provisions, if any, applicable to the warrants;
- any additional terms of the warrants, including terms, procedures and limitations relating to the exchange and exercise of the warrants; and
- any other information we think is important about the warrants.

Exercise of Warrants

Each warrant will entitle the holder of the warrant to purchase at the exercise price set forth in the applicable prospectus supplement the principal amount or number of securities being offered. Holders may exercise warrants at any time up to the close of business on the expiration date set forth in the applicable prospectus supplement. After the close of business on the expiration date, unexercised warrants are void. Holders may exercise warrants as set forth in the prospectus supplement relating to the warrants being offered.

Until a holder exercises the warrants to purchase our securities, the holder will not have any rights as a holder of the applicable underlying securities by virtue of ownership of warrants.

DESCRIPTION OF UNITS

We may, from time to time, issue units comprised of one or more of the other securities that may be offered under this prospectus, in any combination. Each unit will be issued so that the holder of the unit is also the holder of each security included in the unit. Thus, the holder of a unit will have the rights and obligations of a holder of each included security. The unit agreement under which a unit is issued may provide that the securities included in the unit may not be held or transferred separately at any time, or at any time before a specified date.

Any applicable prospectus supplement will describe:

- the material terms of the units and of the securities comprising the units, including whether and under what circumstances those securities may be held or transferred separately;
- any material provisions relating to the issuance, payment, settlement, transfer or exchange of the units or of the securities comprising the units; and
- any material provisions of the governing unit agreement that differ from those described above.

PLAN OF DISTRIBUTION

We or Maiden NA may sell the offered securities in four ways: (i) to or through underwriters; (ii) to or through dealers; (iii) through agents and (iv) directly or through our or Maiden NA's subsidiaries to purchasers. If we or Maiden NA sell the offered securities directly or through our or Maiden NA's subsidiaries to purchasers, we or Maiden NA will only do so if our or Maiden NA's employees, as applicable, and other associated persons acting on our or Maiden NA's behalf in connection with the sale of the offered securities are not deemed to be "brokers" under the Exchange Act or otherwise qualify for the exemption under Rule 3a4-1 of the Exchange Act or any similar rule or regulation as the SEC may adopt and which shall be in effect at the time.

We or Maiden NA may distribute the offered securities from time to time in one or more transactions at (i) a fixed price or prices, which may be changed, (ii) at market prices prevailing at the time of sale, (iii) at prices related to such market prices or (iv) at negotiated prices.

If underwriters are used in the offering of the offered securities, the names of the managing underwriter or underwriters and any other underwriters and certain terms of the offering, including compensation of the underwriters and dealers, if any, will be set forth in the applicable prospectus supplement. Only underwriters named in the applicable prospectus supplement will be deemed to be underwriters in connection with the offered securities described in that prospectus supplement. Firms not so named will have no direct or indirect participation in the underwriting of such securities, although such a firm may participate in the distribution of those securities under circumstances entitling that firm to a dealer's commission. It is anticipated that any underwriting agreement pertaining to any offered securities will (i) entitle the underwriters to indemnification by us or Maiden NA, as the case may be, against certain civil liabilities, including liabilities under the Securities Act, or to contribution for payments which the underwriters may be required to make in respect thereof, (ii) provide that the obligations of the underwriters will be subject to certain conditions precedent and (iii) provide that the underwriters generally will be obligated to purchase all of the offered securities if any are purchased.

We or Maiden NA also may sell the offered securities to a dealer as principal. If we or Maiden NA sell the offered securities to a dealer as a principal, then the dealer may resell those securities to the public at varying prices to be determined by such dealer at the time of resale. The name of the dealer and the terms of the transactions will be set forth in the applicable prospectus supplement.

The offered securities also may be offered through agents we or Maiden NA may designate from time to time. The applicable prospectus supplement will contain the name of any such agent and the terms of its agency. Unless otherwise indicated in the prospectus supplement, any such agent will act on a best efforts basis for the period of its appointment.

As one of the means of direct issuance of the offered securities, we or Maiden NA may utilize the services of any available electronic auction system to conduct an electronic "dutch auction" of the offered securities among potential purchasers who are eligible to participate in the auction of such securities, if so described in the prospectus supplement.

Dealers and agents named in a prospectus supplement may be deemed to be underwriters (within the meaning of the Securities Act) of the securities described in the prospectus supplement and, under agreements which may be entered into with us or Maiden NA, may be entitled to indemnification by us or Maiden NA, as applicable, against certain civil liabilities, including liabilities under the Securities Act, or to contribution for payments which they may be required to make in respect of those liabilities.

The preference shares, depositary shares, debt securities, warrants and units, when first issued, will have no established trading market. Any underwriters or agents to or through whom offered securities are sold by us or Maiden NA for public offering and sale may make a market in such offered securities, but the underwriters or agents will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given as to the liquidity of the trading market for any offered securities. The applicable prospectus supplement will set forth whether or not underwriters or agents may over-allot or effect transactions that stabilize, maintain or otherwise affect the market price of debt securities offered thereby at levels above those that might otherwise prevail in the open market, including, for example, by entering stabilizing bids, effecting syndicate covering transactions or imposing penalty bids.

In compliance with guidelines of the Financial Industry Regulatory Authority (“FINRA”), the maximum consideration or discount to be received by any FINRA member or independent broker dealer may not exceed 8% of the aggregate amount of the securities offered pursuant to this prospectus and any applicable prospectus supplement.

Underwriters, dealers and agents may engage in transactions with us or Maiden NA, or perform services for us or Maiden NA in the ordinary course of business.

Offers to purchase the offered securities may be solicited directly by us or Maiden NA or through our or Maiden NA’s subsidiaries and sales thereof may be made by us or Maiden NA directly to institutional investors or others. The terms of any such sales will be described in the applicable prospectus supplement.

LEGAL MATTERS

The legality of the securities under Bermuda law will be passed upon for us by Conyers Dill & Pearman Limited, Bermuda. The legality of the debt securities, the guarantees and the depositary shares under Delaware and New York law will be passed upon for us and Maiden NA by Sidley Austin LLP, New York, New York. The legality of the securities for any underwriters, dealers or agents will be passed upon by counsel as may be specified in the applicable prospectus supplement.

EXPERTS

BDO Seidman, LLP, an independent registered public accounting firm, has audited our consolidated financial statements and schedules, included in our Annual Report on Form 10-K for the year ended December 31, 2009, the effectiveness of our internal control over financial reporting as of December 31, 2009 (which is included in Management’s Report on Internal Control over Financial Reporting), as set forth in their reports, which are incorporated by reference in this prospectus and elsewhere in the registration statement. Our financial statements and schedules and management’s assessment of the effectiveness of internal control over financial reporting audited by BDO Seidman, LLP are incorporated by reference in reliance upon their reports, given on their authority as experts in accounting and auditing.

ENFORCEABILITY OF CIVIL LIABILITIES UNDER U.S. FEDERAL SECURITIES LAWS

We are a Bermuda exempted company. As a result, the rights of holders of our common shares will be governed by Bermuda law and our memorandum of association and bye-laws. The rights of shareholders under Bermuda law may differ from the rights of shareholders of companies incorporated in other jurisdictions. Some of the experts named in this prospectus reside outside the United States, and a substantial portion of our assets are located outside the United States. As a result, it may be difficult for investors to effect service of process on those persons in the United States or to enforce in the United States judgments obtained in U.S. courts against us or those persons based on the civil liability provisions of the U.S. securities laws. It is doubtful whether courts in Bermuda will enforce judgments obtained in other jurisdictions, including the United States, against us or our directors or officers under the securities laws of those jurisdictions or entertain actions in Bermuda against us or our directors or officers under the securities laws of other jurisdictions.

Item 15. Indemnification of Directors and Officers

Maiden Holdings, Ltd.

Maiden is a Bermuda exempted company. Section 98 of the Companies Act provides generally that a Bermuda company may indemnify its directors, officers and auditors against any liability which by virtue of any rule of law would otherwise be imposed on them in respect of any negligence, default, breach of duty or breach of trust, except in cases where such liability arises from fraud or dishonesty of which such director, officer or auditor may be guilty in relation to the company. Section 98 further provides that a Bermuda company may indemnify its directors, officers and auditors against any liability incurred by them in defending any proceedings, whether civil or criminal, in which judgment is awarded in their favor or in which they are acquitted or granted relief by the Supreme Court of Bermuda pursuant to section 281 of the Companies Act.

Maiden has adopted provisions in its bye-laws that provide that Maiden will indemnify its officers and directors in respect of their actions and omissions, except in respect of their fraud or dishonesty. Maiden's bye-laws provide that the shareholders waive all claims or rights of action that they might have, individually or in right of Maiden, against any of Maiden's directors or officers for any act or failure to act in the performance of such director's or officer's duties, except in respect of any fraud or dishonesty of such director or officer. Section 98A of the Companies Act permits Maiden to purchase and maintain insurance for the benefit of any officer or director in respect of any loss or liability attaching to him in respect of any negligence, default, breach of duty or breach of trust, whether or not Maiden may otherwise indemnify such officer or director. Maiden has purchased and maintains a directors' and officers' liability policy for such a purpose. In addition, Maiden has entered into indemnification agreements with its directors and officers.

The options granted to Maiden's officers, its employees and non-employees will vest in installments over a period of four years. The options granted to Maiden's non-employee directors will vest on the first anniversary of the date of grant. The options were granted pursuant to the exemption provided by Section 4(2) under the Securities Act for transactions not involving a public offering.

Maiden Holdings North America, Ltd.

Certificate of Incorporation

Article Eighth of the Certificate of Incorporation of Maiden NA provides that a director will not be personally liable to Maiden NA or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to Maiden NA or its stockholders, (2) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of the law, (3) under Section 174 of the Delaware General Corporation Law (the "DGCL") for unlawful payment of dividends or improper redemption of stock or (4) for any transaction from which the director derived an improper personal benefit. In addition, if the DGCL is amended to authorize the further elimination or limitation of the liability of directors, then the liability of a director, in addition to the limitation on personal liability provided for in Maiden NA's Certificate of Incorporation, will be limited to the fullest extent permitted by the amended DGCL.

The DGCL

Subsection (a) of Section 145 of the DGCL empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that such person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful.

Subsection (b) of Section 145 of the DGCL empowers a corporation to indemnify any person who was or is a party or threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses (including attorney's fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted under similar standards, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which the action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case the person is fairly and reasonably entitled to indemnity for the expenses which the court shall deem proper.

Section 145 of the DGCL further provides that, to the extent a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue or matter therein, the person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred in connection therewith; that indemnification provided for by Section 145 of the DGCL shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; the right to indemnification and advancement of expenses arising under a provision of the certificate of incorporation or by-laws shall not be eliminated or impaired by an amendment to such provision after the occurrence of the act or omission that is the subject of civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought, unless the provision in effect at the time of such act or commission explicitly authorizes such elimination or impairment after such act or omission has occurred; and that the scope of indemnification extends to directors, officers, employees or agents of a constituent corporation absorbed in a consolidation or merger and persons serving in that capacity at the request of the constituent corporation for another. Section 145 of the DGCL also empowers the corporation to purchase and maintain insurance on behalf of a director, officer, employee or agent of the corporation against any liability asserted against or incurred by the person in any such capacity or arising out of the person's status as such, whether or not the corporation would have the power to indemnify the person against such liabilities under Section 145 of the DGCL.

Insurance

Maiden and Maiden NA have obtained directors' and officers' insurance to cover their respective directors, officers and some of Maiden's employees for certain liabilities incurred in their capacities as such.

Item 17. Undertakings

(a) Each of the undersigned registrants hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by such registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i)(A) Each prospectus filed by such registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(i)(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(b) Each of the undersigned registrants hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of such registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Each of the undersigned registrants hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(d) Each of the undersigned registrants hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Trust Indenture Act.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of any registrant pursuant to the provisions described in Item 15 above, or otherwise, each registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by such registrant of expenses incurred or paid by a director, officer or controlling person of such registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, such registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
