Explanation of Responses:

- Represents the vesting of restricted common shares granted pursuant to the Plan in February 2013.
- Disposition of common shares resulting from withholding of securities for the payment of tax liability relating to the vesting of 50% of restricted shares granted pursuant to the Amended and Restated 2007 Share Incentive Plan (the "Plan") to Mr. Highet in February 2013.
- The restricted share units were issued pursuant to the Plan. Each restricted share unit represents a contingent right to receive one common share of the Registrant.
- The restricted share units shall be settled in common shares or, at the discretion of the Compensation Committee, an amount in cash equal to the fair market value of the shares, and shall be settled shortly after the Committee certifies the attainment of performance goals (the "settlement date"), but in no event later than 2 1/2 months after the expiration of the performance period. The units are forfeited if the reporting person's employment is terminated prior to the settlement date. Certain special terms apply in the event of death, disability or a change of control.
- The reporting person received restricted share units that shall vest based (i) 50% upon the achievement of performance criteria relating to return on equity, underwriting performance, revenue growth and operating expense during the performance period from January 1, 2015 to December 31, 2017, and (ii) 50% upon individual performance as evaluated by the Compensation Committee. The recipient received a target award of 16,199 restricted share units, and 0 to 200% of such target award may vest depending upon the degree to which the performance targets are met. The 32,298 units reported represent 200% of the target award, which is the maximum number of units that may be earned.
